Bridge Course Report

As per every year, the Department of Computer Science has conducted a bridge course for the First Year students of Under Graduation. The course was scheduled between 18th July, 2022 and 23rd July 2022.

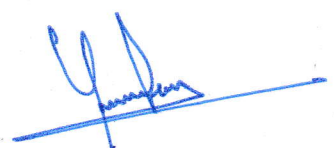

The objective behind the course was to fill the gap between the current knowledge of the students and the necessary pre-requisites for the graduation course which they are going to study over a period of next three years.

A detailed structure for the course content was developed by the department after analyzing the syllabi at both under graduate as well as post graduate levels with reference to other universities.

The course was conducted through "Offline Sessions" which got an overwhelming response from the students. The offline sessions were taken by the faculty members of the department, namely, Mr. S. C. Nakate, Mrs. Bhagat A.A.

This report of the bridge course is submitted for your kind information.

Bridge Course Syllabus [2022-2023]

- **Fundamental of Computer**
 - ✓ History
 - ✓ Generation
 - ✓ Types of computer
 - ✓ Applications of computer
- **Operating System**
 - ✓ Types of computer O.S.
 - ✓ Applications
 - ✓ Examples
- **Memory**
 - ✓ Definition
 - ✓ Types of memory devices
 - ✓ Use of memory
- **Input Output Devices**
 - ✓ Types
 - ✓ Applications of devices
 - ✓ Examples
- **Hardware and Software**
 - ✓ Introduction
 - ✓ Types
 - ✓ Difference between H/W & S/W
- **Internet**
 - ✓ Introduction & brief history
 - ✓ Devices in internet
 - ✓ Application
 - ✓ Awareness of cyber crime

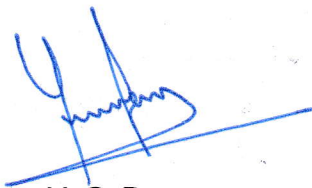

**Anekant Education Society's
Tuljaram Chaturchand College of Arts, Science & Commerce, Baramati.
(Autonomous)**
