## 6.2.3 - Implementation of e-governance in areas of operation:

### 3) Student Admission and Support

#### A] Online Admission Process

The admission procedure for all courses is conducted online through the in-house developed software by the faculty member of our college. The username and password is provided in the prospectus i.e. made available from the college co-operative store. By using the username and password students can take admission independently as well as the facility for filling in the form to students in the college premises during the admission time. The flow chart of detailed process is also displayed on the college website and notice boards. The support system is also provided to needy one. The guidelines for admission procedure are explained in the prospectus.

The college administration provides the eligibility certificate, transfer certificates, hall tickets, ID cards through online mode. Students can registered their complaint and grievances online. The central library of the college has plagiarism detection software Urkund, to check to extent of copied material from the student's projects and teachers research papers. The departments also have softwares for effective teaching learning process. Students are regularly and times informed about various activities and events through digital boards, e-notices and the college website.
