DISTRIBUTING MEDICINAL PLANTS TO WOMEN FARM WORKERS

Empowering Women Health 10/02/2024

PG Research Centre, Department of Botany conducted an activity of *Distributing Medicinal Plants to Women Farm workers* at Saskal, Tal. Phaltan Dist- Satara on 10th February 2024. The activity focused on enhancing women's health through natural remedies. This initiative aimed to provide access to natural remedies while also fostering a sense of self-reliance and empowerment among women. The women workers at Saskal were given medicinal plants such as Adusla, Ashwagandha, aloe vera, Tulsi and Mint. They were also guided about the importance of medicinal plants and its benefits to their health. The students of Botany gave the tips and techniques to grow these plants at their home. Two faculty members Mr. Saurabh Chandankar and Dr. Madhuri Patil along with 20 post graduate students of Botany department participated in the activity. Dr. Bhagwan Mali, Head, department of Botany supervised the activity.

“Distributing Medicinal Plants to Farm Worker Women for Empowering their Health”

To

The Principal

Tuljaram Chaturchand College of Arts, Science and Commerce

Baramati, (Autonomous).

PG Research centre Department of Botany Organized workshop on “Distributing Medicinal Plants to Farm Worker Women for Empowering their Health” at Saskal Village Tal: Phaltan Dist: Satara on 10th February 2024. In pursuit of enhancing women's health and empowerment, a workshop was organized to distribute medicinal plants among farm workers at Saskal Village Tal-Phaltan, Dist- satara. This initiative aimed to provide access to natural remedies while also fostering a sense of self-reliance and empowerment among women.

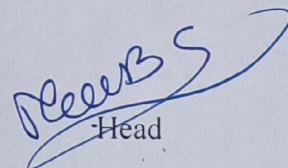

Participants were provided with various medicinal plants including Adulsa, Ashwagandha, Aloe vera, Tulsi and Mint. However techniques for growing medicinal plants were shared with participants, emphasizing the importance of proper soil, water, and sunlight condition and medicinal importance of it also. In this program total 2 Faculty Members and 20 PG Students were actively participated to this workshop.

We the faculty of Botany Department and participants are very much thankful to our Hon. Prof (Dr.) Avinash Jagtap Principal for his constant motivation and guidance throughout the planning and organizing of workshop. Once again we are very much grateful to authorities of our college.

Yours faithfully,

Co-ordinator of workshop
