KRUSHIK EXHIBITION 2024

An Educational Visit

Krushik 2024 organized by Agricultural Development Trust's Krishi Vigyan Kendra, Malegaon, Baramati is India's first AI dominated agricultural exhibition based on modern technology and demonstrations. The department of Media and Communication Studies organized an educational visit to *Krushik Exhibition 2024* for the students of F.Y.B.Voc Journalism and Mass Communication on 20th January 2024. The visit aimed at students getting practical knowledge and hands on experience in news reporting on agricultural field. The exhibition visit was an opportunity to know about latest development in the field of agriculture. They observed how modern technology is being used to improve agriculture practices. Total 16 students were present in the visit led by Head of the department prof. Rahul Chaudhary and Prof. Rutuja Agam.

Detail information of the programme:

On January 20, 2024, the Department of Media and Communication Studies organized an educational visit to Krushik Exhibition 2024 for the students of F.Y.B.Voc Journalism and Mass Communication. Krushik 2024 is India's first AI dominated agricultural exhibition based on modern technology and demonstrations. The visit aimed students' get practical knowledge and hands on experience in news reporting.

Through the visit, students were able to have an actual live observation and experience how to do news reporting. They learned how to gather information on popular relevant topics, write for different media platforms, and capture photos effectively. This hands-on experience proved valuable for the students, as it equipped them with the skills they need to be a journalist.

The exhibition also provided students with the opportunity to learn more about agricultural sector and its importance in media and communication. They observed how modern technology is being used to improve agricultural practices. They also learned how to communicate complex information to a general audience. This knowledge will be valuable for the students in their future careers.

Under the guidance of HoD Prof. Rahul Chaudhari, Prof. Rutuja Agam led this educational visit. Overall, the educational visit was a success. 16 students were present in this visit. The visit provided students with a unique opportunity to learn about news reporting, agriculture, and communication. The hands-on experience and the knowledge gained will be valuable to the students in their careers.
