#### WORLD NATURE CONSERVATION DAY

#### One day Workshop & Tree Plantation at Jalgaon Supe Activity by Environmental Science Department

Tree plantation is a powerful tool for combating climate change, protecting ecosystem and fostering healthier communities. Regular tree plantation contributes to global reforestation efforts and make our earth cleaner and greener. Also, tree plantation helps in enhancing the beauty of the place. Underscoring the importance of trees in our life the Environmental Science department celebrated *World Nature Conservation Day* by conducting a one-day workshop on nature conservation and also carried out a tree plantation drive at Jalgaon Supe, a small village near Baramati to increase green cover, promote biodiversity, and raise awareness about the nature conservation. The activity was conducted on 27<sup>th</sup> July 2022 with the support of college authorities, faculty members, and student volunteers. Principal Dr. Chandrashekhar Murumakr was present for this activity. He appreciated the efforts of students and staff for environment conservation.

**Programme/Activity Reporting format**

Sr. No.	Item	Particulars
1.	Name of the Department/Committee	BBA
2.	Title of the Programme	"Tree Plantation" activity at Jainkwadi, Gram panchayat
3.	Date of the programme	14 <sup>th</sup> July 2023
4.	Name of Event Coordinator	Mrs. S. R. Doshi
5.	Level of the programme: College/University/State/National	Departmental
6.	Funded by: College/University etc.	No
7.	Number of Participated Students	21

**Detail information of the programme/activity:**

The Tree Plantation activity was organized Department of BBA with the aim of creating green belt, improve air quality, releasing oxygen and reduce pollution among the residents of Jainkwadi. Tree plantation activity was held on 7th October 2023, in the heart of Jainkwadi.

On the day of the event, our team gathered at the designated location in Jainkwadi. We Selected the central area school and temple of Jainkwadi.

Trees act as natural filters, absorbing harmful gases and releasing oxygen. By planting trees in School, we create cleaner and healthier air for students and staff, and reducing respiratory problems and creating a more conducive learning environment and also by planting trees in Temple area to provide fresh and clean air and also to provide shelter for villagers in Temple area.

The Tree Plantation activity was received with enthusiasm by the villagers. The residents of Jainkwadi actively participated in the event planting trees. Gram Panchayat Sevak, Gram Panchayat Sadsya, Villagers, college teachers and students actively participated in activity.

Overall, the Tree Plantation activity in Jainkwadi was a resounding success. It effectively conveyed the messages of importance of Tree Plantation. We hope that this event

will inspire the community to take collective action in keeping Jainkwadi cleaner and healthier air and promote a healthier living environment for everyone.

**Subject – Permission to conduct Tree Plantation Drive on the occasion of Mahatma Gandhi Jayanti at Jainakwadi on 7<sup>th</sup> October, 2023.**

Respected Sir,

Department of BBA writing to seek your permission to organize a "Tree Plantation" drives on the occasion of Birth Anniversary of "Mahatma Gandhi Ji" at Jainakwadi, on 7<sup>th</sup> October, 2023

3

As we are aware of, Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding. Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals.

**The core objectives of Tree Plantation are as follows:**

- 1. The purpose of plantations is to save the environment which is endangered and to keep alive the beauty of our life.**
- 2. As the world is facing the issue of global warming and other environmental-related problems to recover from such issues planting trees became one of the most important aspects of life today.**
- 3. It helps to maintain an eco-friendly environment around the whole world and reduces air pollution and improves the greenery.**

We firmly believe that initiatives like these are to cultivate a sense of social responsibilities and environment consciousness.

We kindly request you to grant us permission for the Tree Plantation on the above location. Thank you for considering our request.

Yours Sincerely,

*Approved*
