Subject: Report of Workshop on, "Hands-on training on the fabrication of telescope and night sky observation" workshop.

Respected Sir,

Under the Rashtriya Uchchar Shiksha Abhiyan (RUSA), as part of the celebration of the "Azadi ka Amrit Mahotsav" and National Science Day, our Department of Physics has organized a workshop entitle "**Hands-on training on the fabrication of telescope and night sky observation.**" This event was scheduled on March 20, 2023, from 11:00 AM to March 21, 2023 7:00 AM and was open to all students, teachers, and non-teaching staff.

The workshop was led by Dr. Aviraj Jatratar from Department of Physics, Shri.Yashwantrao Patil College, Solankur. Dr. Jatrarka conducted the training for 50 students on telescope fabrication and provided guidance on night sky observation at night.

The workshop aimed to enhance practical understanding and provided a platform for students to gain hands-on experience. This training was expected to be beneficial in fostering an interest in astronomy among the participants.

We are enclosing the attendance list of participating students, alongwith geo-tagged photos and a feedback form.

This is your kind information and perusal.

Thank you.

Yours sincerely,

Co-ordinator
