Regarding Saroj case

महोदय,

In the academic year 2022-23, we want to organize an educational trip on 25th February 2023 through the Hindi department of our college. Bhilar village in Maharashtra is famous as a bookish village. With the aim of making people aware of this new concept, we want to introduce Milar village.

Therefore, I humbly request you to grant permission for this.

Thank you.

* Educational Journey Report *

In the academic year 2022-23, under the National Higher Education, the Hindi Department of our college organized an educational tour to 'Bhilaar Village' on 25 February 2023. Bhilaar Village is the first village in Maharashtra, which is famous as the 'Village of Books'. With the aim of making people aware of this new concept, the students of the Hindi Department visited Bhilaar Village. In the true sense, this village is running with a new concept. After visiting this village, it was found that books are available for the readers coming to every house in the village. Along with this, they are also provided with sitting and lodging facilities. According to different genres of literature, books of different genres have been kept in every house, which the readers can read according to their interest. This village has the most books of Marathi and English literature. Along with this, books of Sanskrit, Hindi and Gujarati languages are also available in small quantities. It is very suitable for readers who are interested in reading and students who are doing research. The Maharashtra government has provided financial aid to this village to promote the reading culture. Also, people who come here also donate books.

The students of our department got the opportunity to visit this Bhilaar village because of our college's Principal Dr Chandrashekhar Murumkar Sir and RUSA's Coordinator Dr Ramchandra Sapkal Ji. Hence, on behalf of the Hindi department, I express my heartfelt gratitude to the college's Principal, all the Vice Principals, RUSA Coordinator, the college's Educational Journey Department.

A total of 17 students and 02 teachers of the department participated in this educational journey.

Thank you .
