Programme/Activity Reporting format

Sr. No.	Item	Particulars
1.	Name of the Department/Committee	BBA
2.	Title of the Programme	Garbage Management
3.	Date of the programme	3 rd Nov.2023
4.	Name of Event Coordinator	Prof. S. R. Doshi
5.	Level of the programme: College/University/State/National	Department
6.	Funded by: College/University etc.	ED cell
7.	Number of Participated Students	05

Detail information of the programme/activity:

During our visit to the solid waste management plant in Baramati's Ambika Nagar, we observed the proper segregation of waste into biodegradable and non-biodegradable categories. The biodegradable waste is composted and used as manure for agriculture, while non-biodegradable waste is processed for recycling. The plant has a capacity to handle 100 tonnes of waste per day. We were impressed by the efficient collection and transportation system, which ensures that waste is collected door-to-door. The plant also has a gasification unit that generates electricity from waste. The students were educated on the importance of proper waste management and its impact on the environment. Overall, the visit was an eye-opener to the effective distribution of garbage management in Baramati's Ambika Nagar.
