Important notice for students

Geography Department

In the academic year 2023-2024, Nature Club has been established in the Department of Geography. Under this Club, a Cleanliness Drive has been organized on October 18, 2023 through the Geography Department with the aim of creating awareness of cleanliness among the children on the occasion of October 2nd Gandhi Jayanti. However, all the students of Geography Department should be present in Geography Department for this activity on Wednesday 18 October 2023 at 12:00 PM.

**Cleanliness Drive Report**

On the 2<sup>nd</sup> October 2023, in celebration of Gandhi Jayanti, the Nature Club of the Geography Department at TC College, Baramati, organized successful cleanliness drive within the college campus. This initiative aimed at fostering a clean and green environment while promoting the ideals of Mahatma Gandhi.

The event saw active participation from 30 students belonging to various academic levels, including F.Y.B.A., S.Y.B.A., T.Y.B.A., and M.A I & II. Under the guidance of the Geography Department teachers, the students actively engaged in cleaning different sections of the campus. The clean-up effort was divided, with F.Y.B.A., S.Y.B.A., T.Y.B.A., and M.A I & II students focusing on the rear of the college campus. Simultaneously, Geography Arts students took charge of cleaning the front side, including the drive and staircase.

Dr. Arun Magar Sir, expressing gratitude, acknowledged the dedication and enthusiasm of the students in ensuring the success of the cleanliness campaign. He commended their efforts in upholding the spirit of environmental responsibility. The Nature Club, Geography Department, is proud of the collaborative effort displayed by the students during this event. This cleanliness drive not only contributed to a tidier campus but also instilled a sense of civic duty and responsibility among the participants.

Such initiatives reaffirm our commitment to creating a sustainable and eco-friendly campus. The Nature Club looks forward to organizing more events that promote environmental awareness and community engagement in the future.
