Safety Week**

Date: 13-08-2023

The National Service Scheme (NSS) unit of Tuljaram Chaturchand Colleg Baramti, Dist- Pune organized a **Road Safety Awareness Program** aimed at promoting safe driving practices and educating the public on traffic rules and regulations. The event was an initiative to encourage road safety among pedestrians, drivers, and the youth, in an effort to reduce accidents and foster a culture of responsible road use. Total 45 students were participants in the rally.

The primary objectives of the road safety activity were:

1. To raise awareness about traffic rules and regulations.
2. To highlight the importance of road safety measures like wearing helmets, seatbelts, and avoiding mobile phone usage while driving.
3. To reduce road accidents by encouraging safe driving practices.
4. To promote civic responsibility and careful behaviour among pedestrians and cyclists.
5. To educate students and the local community about the role they can play in ensuring road safety.

The Road Safety Awareness Program organized by the NSS unit was a success in promoting road safety and making the community more aware of responsible driving habits. By actively involving students in such initiatives, the NSS continues to foster a sense of civic duty and leadership among the youth. The event not only fulfilled its objective of spreading awareness but also paved the way for future programs aimed at further reducing road accidents and encouraging responsible behaviour on the road.
