

Report of  
**PLASTIC COLLECTION DRIVE**  
 On the Occasion of  
**WORLD EARTH DAY : 22 APRIL 2024**  
 (Academic Year: 2023-24)

Sr. No.	Item	Particulars
1	Name of Department	Department of Botany
2	Title of Programme	Plastic Collection Drive
3	Date of Programme	22 April, 2024
5	Level of Programme	College
7	No. of Beneficiaries	41

Earth Day was first observed in 1970, making 2024 its 54th anniversary. Each year, Earth Day has a specific theme to focus global attention on pressing environmental issues. Earth Day promotes environmental protection and sustainability. Earth Day holds immense significance as a global initiative to raise awareness about environmental issues and inspire action. It provides an opportunity for individuals, communities, organizations, and governments to come together and engage in activities aimed at protecting the planet for current and future generations.

The theme for Earth Day 2024 is "Planet vs. Plastics." This theme emphasizes the need for collective action to repair and heal the planet's ecosystems, combat climate change, and preserve biodiversity. In 2024, the theme "Planet vs. Plastics" underscores the imperative for collaborative efforts to restore ecosystems, address climate change, and safeguard biodiversity. EARTHDAY.ORG advocates for a 60% reduction in plastic production by 2040 and global efforts to end single-use plastic production by 2030. Each year, it adopts a specific theme to spotlight urgent environmental concerns.

Total Forty One students participated Plastic Collection Drive and collected plastic bottles, wrappers in college campus area. Further this plastic waste is handed over to Baramati Municipal Corporation for Recycling purpose. We are also grateful Principal Prof. Jagtap A. S. for their kind permission and continuous support throughout the activity.

Subject: Report of Plastic Collection Drive on the occasion of World Earth Day 2024.

Respected Sir,

With reference to above subject we would like to bring to your kind notice that Department of Botany has organized **Plastic Collection Drive** in Tuljaram Chaturchand College, Campus Area on occasion of "**World Earth Day- 22 April, 2024**".

Earth Day was first observed in 1970, making 2024 its 54th anniversary. Each year, Earth Day has a specific theme to focus global attention on pressing environmental issues. Earth Day promotes environmental protection and sustainability. Earth Day holds immense significance as a global initiative to raise awareness about environmental issues and inspire action. It provides an opportunity for individuals, communities, organizations, and governments to come together and engage in activities aimed at protecting the planet for current and future generations.

The theme for Earth Day 2024 is "Planet vs. Plastics." This theme emphasizes the need for collective action to repair and heal the planet's ecosystems, combat climate change, and preserve biodiversity. In 2024, the theme "Planet vs. Plastics" underscores the imperative for collaborative efforts to restore ecosystems, address climate change, and safeguard biodiversity. EARTHDAY.ORG advocates for a 60% reduction in plastic production by 2040 and global efforts to end single-use plastic production by 2030. Each year, it adopts a specific theme to spotlight urgent environmental concerns.

Total Forty One students participated Plastic Collection Drive and collected plastic bottles, wrappers in college campus area. Further this plastic waste is handed over to Baramati Municipal Corporation for Recycling purpose. We are also grateful Principal Prof. Jagtap A. S. for their kind permission and continuous support throughout the activity.  
Thanking you.

Yours Faithfully,
