**Department of Zoology**

22/01/2021

Department of Zoology had organised **One Day State Level Webinar** on the occasion of **“National Bird Week”** in collaboration with Mudhoji College, Phaltan & BioVision Charitable Trust, Pune.

The resource person for the said workshop was Dr. Girish Jathar (Assitant Director, BNHS, Mumbai).

The Webinar was organized on 10<sup>th</sup> November 2020; in online mode. The platform of the webinar was **Google meet & YouTube live streaming session.**

Total participants of this webinar were 155 from various places & college in Maharashtra & few from other states too.

  
Head,  
Dept. of Zoology

A screenshot of a YouTube live stream. The video player shows a slide titled 'Types of endemism' with two bullet points: 'a) Neo-endemism: A taxon is evolutionary young and not yet spread over the new area - White-bellied Shortwing (endemic to southern Western Ghats), Amboli Toad, Koyana Toad, Narcondam Hornbill' and 'b) Palaeo-endemism (Epibiotics, Relics): The taxon is restricted now but once it was widely distributed. The restriction of species in a pocket is due to physical barrier like deserts, mountain, sea, etc. or change in climate, habitat or soil type etc. - Indian Rhinoceros, Asiatic Lion, Great Indian Bustard'. The video player shows a progress bar at 40:08 / 1:42:35. Below the video, the title is 'Zoology - Endemic Birds of Northern Western Ghats of India - 10 Nov. @ 2:00PM' with 274 views and a 'Streamed live on 10 Nov 2020' label. There are 18 likes and 0 comments. To the right, a 'Top chat replay' list shows various users saying 'Good Afternoon' or 'good afternoon'. At the bottom, there is a 'SUBSCRIBE' button.
