Subject: Permission to organise "Health check-up camp", as best practice for F.Y.BSc. female students.

Respected Sir,

Department of Microbiology wish to organise "Health check-up camp", as best practice for F.Y.BSc. female students.

Under this activity we propose to test CBC (complete blood count) to investigate and identify anaemic female students. We wish to organize this program in the second week of January 2020.

Kindly permit us for the same and oblige us.

Thanking you.

Yours Faithfully

Report of, "HEALTH CHECK-UP CAMP "

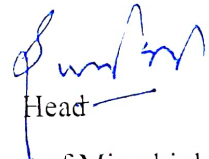

Department of Microbiology, Tuljaram Chaturchand College of Arts, Commerce and Science, Baramati had organised a workshop 'HEALTH CHECK-UP CAMP ' for the female students of F.Y.B.Sc. Microbiology. This workshop was conducted from 10th and 11th January, 2020 in collaboration with Sai Laboratories, Baramati.

This workshop was organised with the aim of creating awareness regarding the health amongst the students.

This two days workshop was inaugurated on 10th Jan 2020 at 3.00 pm. This workshop was organised at the LAB 1, Department of Microbiology where total 80 members have participated in it. Out of 80 female students there 1 female student found anemic and advised for the betterment through department.

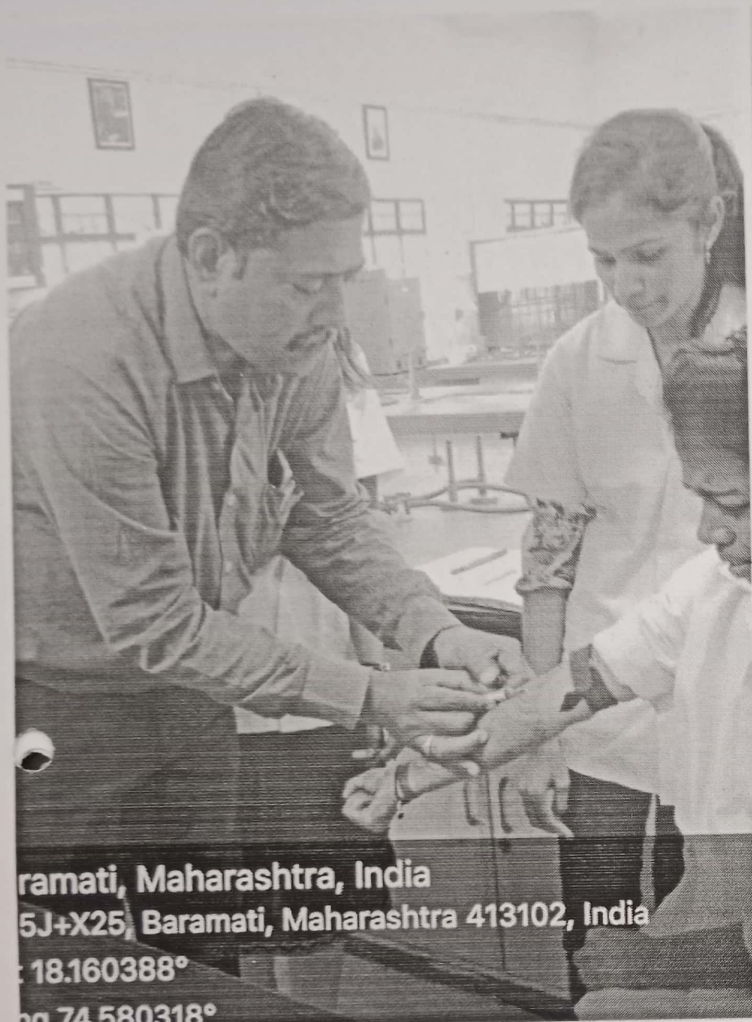

Under this workshop to create health awareness the blood tests of the students were done. This workshop was very useful for all the participants to improve their knowledge and become aware towards the health.
