Dear Sameer Gund,

Greetings from MIT,

With reference to your resume and further Interviews which you attended, We are pleased to offer you the position of "Biology Faculty" at the MAEER" S Vishwashanti Gurukul School & Junior Colleges, Pandharpur. We expect you to be a very good team player and an apt coordinator in executing all the requisite tasks on time.

This employment will commence from 05th June 2024. Your detailed job responsibilities will be briefed to you upon joining.

Your Gross salary per month will be as discussed. The statutory levies if any will be deducted from your Gross Salary. The salary processing is done under the governance and instructions of the Parent Body i.e. MAEER's Trust Office, which includes the financial decisions in view of the pandemic situation.

As per the policies of the Trust, your services are transferable to any of the locations as per requirements based on the corporate office and branches under the discretion of the Management.
