Ontologie AI Solutions Pvt Ltd.

Date :20-9-2021

Dear **Bhusnar Suhas,**  
**Heartiest Congratulations!**

**1. Offer Details:**

Following your application and subsequent interview with **Ontologie AI Solutions Pvt Ltd**, we are excited to offer you the position of Software Developer under the following terms:

- **Role:** Software Engineer
- **Date of Joining:** 5-11-2021
- **Compensation:** ₹2,64,000 per annum (Rupees Two Lakh Sixty-Four Thousand Only)

Please feel free to reach out if you have any questions!

**2. Probation Period:**

You will undergo a training/probation period of six months. If your performance during this period is deemed unsatisfactory, your employment may be terminated. The probation period may also be extended at the sole discretion of Management. You will remain on training/probation until you receive formal written confirmation of your regular employment. During this period, your services can be terminated with one day's notice, without any obligation to provide a reason.

**3. Notice Period:**

In the event you choose to resign, you are required to provide a three-month notice or the equivalent salary, subject to the Company's discretion. If you have any incomplete assignments that would require more than three months to complete, the Company reserves the right to relieve you only after the completion of such assignments.

**4. Agreement:**

Your employment is contingent upon signing the necessary agreements as per the provided drafts. You will be required to submit the signed agreements upon joining the company.

Yours sincerely,  
 For Ontologie AI Solutions Pvt Ltd.,

Swapnil Tambe  
 Director & Founder
