Sub: Completion Report of one day workshop on "IoT with ESP32 - From Sensor to Server" under ED cell during 3rd February 2024.

Respected Sir,

With your kind permission and sanctioned we have successfully organized one day workshop on "IoT with ESP32 - From Sensor to Server" under ED cell on 3rd February 2024. The program formally began with an opening remark delivered by Dr. Suhas N. Patil, organizing secretary of workshop followed by the welcome address delivered by Dr. Jagdish Deshpande, Head, Department of Electronics. He has highlighted the objectives of the workshop. The workshop was based on the Hands on training of ESP32 programing for IoT with various applications. Its totally skill oriented applications for F.Y., S. Y., T.Y. B.Sc & M.Sc. Electronics students.

Mr. Khaire Kiran - Jr. Engin. Kalptech. Solution Pvt Ltd. Pune covered introduction of IoT, ESP32, Various Sensors and its application and Programming. He also gave introduction of different IoT devices and applications during first session. On second session, he took hands on training on hardware interfacing and Programming the ESP32 for IoT applications.

Mr. Kiran Khaire is alumni of department of electronics. In 2023 he passed out M.Sc. Electronics and join Kalptech. Solution Pvt Ltd. Pune as Jr. Engineer. He actively contributes in department for students encouragement.

The workshop was informative and skill based. Total 37 students are benefited from the workshop. We are very much thankful to Dr. V. C. Kakade for support and encourage for arranging this workshop. We are very much grateful to you for your kind permission and providing us the opportunity to arrange the same.

Kindly consider and oblige.

Thanking you

Yours faithfully
