

A screenshot of a video conference interface, likely Google Meet, during a guest lecture on Wetland Biodiversity. The top bar shows 'Recording' and 'Ajit Tolani is presenting'. The main content area displays a slide with a title 'WETLANDS ARE AMAZING!' and a subtitle 'A WORLD WITHOUT WETLANDS IS A WORLD WITHOUT WATER'. Below the subtitle is a list of benefits:

- Wetlands also absorb excess nutrients, sediments, and other pollutants before they reach rivers, lakes, and other waterbodies.
- They are also great spots for fishing, canoeing, hiking, and bird-watching, and are enjoyable outdoor "classrooms" for people of all ages.

The bottom of the slide features the text 'WETLANDS ARE AMAZING!' and 'A WORLD WITHOUT WETLANDS IS A WORLD WITHOUT WATER' again. The video controls at the bottom include a timer (12:08), a message 'Guest lecture on Wetland Biodiversity on the...', and various meeting controls. On the right, a participant grid shows several users with their names: Neeta Barode, Nisha Bhosle, Smita Wagh, Yogini Mehta, 36 others, and You.

A screenshot of a video conference interface, likely Google Meet, during a guest lecture on Wetland Biodiversity. The top bar shows 'Recording' and 'Ajit Tolani is presenting'. The main content area displays a slide with the heading 'What threats do Wetlands face?' and the text 'Wetlands face threats from':

- pollution,
- climate change,
- dams,
- agriculture and aquaculture, and
- development.

A message at the bottom left says 'Pragya Shinde has left the meeting.' The video controls at the bottom include a timer (13:04), a message 'Guest lecture on Wetland Biodiversity on the...', and various meeting controls. On the right, a participant grid shows several users with their names: Neeta Barode, Nisha Bhosle, Smita Wagh, Yogini Mehta, 36 others, and You.
