Detail information of the programme/activity:

The BBA (C.A.) department has organized a one-day workshop on "Website Development Essentials" on January 19, 2024, from 12.00 p.m. to 2.00 p.m.

The workshop was conducted by Ms. Reshma Babar. The objective of this workshop is to provide a platform for students to learn how to design and develop a website using various technologies. This will be helpful for the students in developing projects.

The workshop agenda included the following topics:

- Introduction to Web Development
- Web Development Tools
- System Analysis
- Responsive Web Design
- Backend Development
- Testing and Debugging

Ms. Reshma Babar explained which tools should be used for web development. What is system analysis? And which point is covered in system analysis? As well, she shows some samples of the diagrams and the responsive web design. Throughout the workshop, participants actively engaged with the speakers through interactive sessions by asking questions and seeking clarification on various concepts.

By the end of the workshop, they were able to create simple web pages with responsive designs and understand the importance of user experience in web development. The workshop successfully met its objectives of equipping participants with essential website development skills.

We received good responses from students; a total of 66 students attended this workshop, and they also gave very good feedback.

The workshop was successfully done under the guidance of the principal, sir, and with the kind support of the HOD and all other faculties. At the last vote of thanks delivered by Mrs. J.P.Gharge.

Hence I reporting to you.

Thank You,

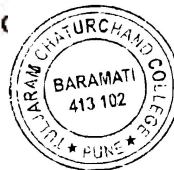

Head
