The programme was started on 24/11/2021 and ended 29/11/2021. The total duration of the programme was 10 hours. During the programme the following topics were covered in the five days sessions:

- Session I – Importance of Investment
- Session II – Financial Investment Opportunities
- Session III – Process & Pre- requisites to invest in Securities Markets
- Session IV – Investment in Primary Markets
- Session V – Investing in Secondary Markets
- Session VI – Introduction to Mutual funds and ways to invest in them
- Session VII – Precautions while investing in Securities Markets
- Session VIII – Career in Securities Markets

The Programme ended with online quiz and Feedback online generated by NISM Portal. The programme ended with vote of thanks to Dr. Ravi Ahuja, the trainer and facilitator for the course.
