Subject: 6 Days Salesforce ADX-201 Workshop Report

Respected Sir,

We are having the MoU with ICT Academy. In coordination with ICT Academy and Salesforce, we had organized 6 days Student Training Program - Salesforce ADX-201 held on 30 Sept. 2019 to 5 Oct. 2019 at the Computer Science Department.

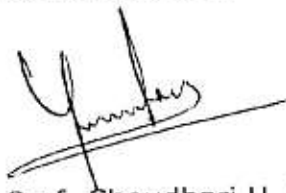

The workshop was organized for M.Sc.-I (Comp. Sci.) students. Total 49 students were participated in workshop. Among that 45 students have completed 3 Salesforce Super Badges. They are as follows: Business Administration Specialist, Security Specialist, Lightning Experience Reports & Dashboards Specialist and earned more than 28,500 points.

Our students have to work more on Trailhead platform, which is the self learning platform of Salesforce. So our students can get jobs like Salesforce Developer, Salesforce Administrator, Salesforce Architect, Salesforce Consultant, Salesforce Project Manager, Salesforce Business Analyst in IT companies.

Thanking you,
