**'Sound designing for Audio Visual Production' Three Days**  
**Workshop Report**

The Department of Media and Communication studies organized a three days workshop on 'Sound designing for Audio Visual production' from 11<sup>th</sup> to 13<sup>th</sup> March 2022. Mr. Shubham Ghadge Director, Sound Designer, Alumni of FTII and Mr. Utsav Ghosh Sound Designer, Sound Mix engineer, Alumni of FTII conducted the workshop. This workshop was arranged for B.Voc. and M.Voc. students.

Each day of the workshop was divided into two sessions of three hrs. First session started at 10.30 am. and concluded at 1.30 pm. Second session started at 2.00 pm. and concluded at 5.00 pm. On the first day of the workshop Mr. Shubham Ghadge gave the information about types of sound used in film with the help of his own short film. In the second session of the first day Mr. Utsav Ghosh introduced the equipment of sound recording, he also gave a demo of these instruments. On the Second day of workshop, Students divided into four groups and gave an assignment of sound recording to each group. Both the Guest demonstrates how to record different outdoor locations, different indoor locations, and studio sound, folly sound. Students completed their assignments.

On the last day of the workshop Mr. Shubham Ghadge and Mr. Utsav Ghosh taught Students about the sound editing software. They gave information about how to sync sound with visuals, how to edit the sound, how to give different sound effects. They gave hands-on sound recording and editing training to each group.

This workshop was very useful to students to understand the process of sound recording and editing for different audio-visual productions.. Total 90 students were present for the workshop. Vice Principal Dr. Ajit Telve sir inaugurated the workshop. T.Y. B.Voc student priya Gaikwad did vote of thanks. Asst. Prof. Rahul Chaudhari was coordinator of the workshop. We are very thankful to Dr. Chandrashekhar Murumkar, Principal, Dr. Ajit Telve, Coordinator, RUSA for giving such a great opportunity to conduct this workshop. This workshop will be helpful to students for their video production projects and television news projects.
