"Kolhapur- Goa- Konkan"**

Respected Sir,

The Department of Media and Communication Studies is planning to organize an academic study visit to Kolhapur-Goa- Konkan for the academic year 2023-24. Since industry visits are included in the syllabus, we find the necessity of taking students to places where society and media are connected. Kolhapur-Goa-Konkan, in the perspective of media academics, is a place of architecture, cultural insights, and historical relevance and socially enrich.

The students of S.Y M.Voc are included in the academic visit. The visit is scheduled for the 1st of March 2024. The visit is taken to Kolhapur University, Pudhari Media organization in Kolhapur. The visit has also included the newspaper organization "Dainik Gomantak" in Goa which can improve the knowledge of students on socio-political relevance of Goa city related to media-history. The Konkan is culturally and environmentally giving photographic aesthetics which can be utilized for increasing photography skills of the students. Thus it's important to pay a visit in those places where students get knowledge and practical understandings.

Sir, we kindly seek your permission to proceed with the academic study visit.
