5. To prepare SOPs and Guidelines for Field Project and Community Engagement Project of S. Y. B.Sc. Sem. IV (2023 pattern – NEP 1.0) to be implemented from the academic year 2024 - 25.

The board carefully designed and deliberated opinion upon the SOPs and guidelines for Field Project and Community Engagement Project to be implemented from the academic year 2024 - 25.

SOPs of Community Engagement Project:

In NEP 2020 (2023 Pattern) we are offering to UG (Second Year -Fourth Semester) students **Community Engagement Project (CEP)** for **TWO (2) credits i.e. 50 Marks**. The total time allocation for the student to carry out Community Engagement Project is **60 hours**. The actual field work should be carried out after college hours or on holidays. Project topics should be assigned to individual students or groups of students (2 or 3 students in one group). Students should compile all relevant data and carry out its analysis. This is a compulsory subject in our syllabus, passing the Community Engagement Project is a **MUST** to complete the degree.

During the discussion, certain modifications were suggested by the board members and are implemented in the SOPs and guidelines for Field Project and Community Engagement Project.

Finally, it was agreed that the SOPs and guidelines would be submitted to the academic council of the college for approval.

Resolution No. 5: SOPs and guidelines of Field Project and Community Engagement Project have been unanimously approved by all members of the BOS.

6. To prepare SOPs and Guidelines for Research Project (Credit - 6) M. Sc. II Sem. IV (2023 pattern – NEP 1.0) to be implemented from the academic year 2024 - 25.

The board carefully designed and deliberated opinion upon the SOPs and guidelines for Research Project (Credit - 6) to be implemented from the academic year 2024 - 25.

SOPs of Research Project:

- 1) Choose a research topic in consultation with your guide.
- 2) Write a research proposal including the objectives, hypothesis, significance, and expected outcomes of the project.
- 3) Conduct a thorough literature review using academic databases, journals, and books.
- 4) Analyze the collected data using appropriate statistical tools and software.
- 5) Interpret the results, comparing them with the literature review and objectives set in the proposal.
- 6) Create a PowerPoint presentation summarizing your research project.
- 7) The presentation should cover the objectives, methodology, results, and conclusions in a clear and concise manner.

During the discussion, certain modifications were suggested by the board members and are implemented in the SOPs and guidelines for Research Project (Credit - 6).

Finally, it was agreed that the SOPs and guidelines for Research Project (Credit - 6) would be submitted to the academic council of the college for approval.

Resolution No. 6: SOPs and guidelines for Research Project (Credit - 6) has been unanimously approved by all members of the BOS.
