

Department of Economics
Report of Guest Lecture

Date: 07/03/2024

As per the prior permission of the college, the Department of Economics organized a Guest Lecture on 5th March, 2024 on 'Organic Farming as an Opportunity' under the Contemporary Economics Lecture Series. The topic of the lecture was 'Organic Farming an Opportunity'. The lecture was organized in the Administration hall. The program started with welcome. The Chief Guest was welcomed by Dr. Samadhan Patil, Head of Department of Economics, while Dr. Jotiram Ghadage introduced. The program was presided over by the Vice Principal of the college Dr. Sachin Gadekar. He was also warmly welcomed by the department.

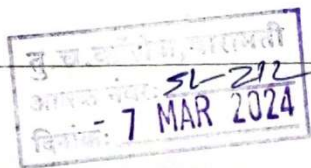

We invited Dr. Bhagwan Mali (Head of Department of Botany, Tuljaram Chaturchand College, Baramati) to guide the students. In the first phase of the lecture Dr. Bhagwan Mali said what is Organic farming? Detailed information about this. In the second phase of the lecture, the health effects of chemical farming were discussed. Also told how chemical farming is expensive. Then detailed information on how to prepare Vermicompost for Organic farming. It also detailed how Organic farming is less expensive and profitable than Chemical farming.

There was a spontaneous response to this lecture. About 150 students, Teachers and Non-teaching staff attended the lecture. After the question and answer session Prof. Krushna Kulkarni of the
