Subject: A Report of Mango Seeds Collection and germinating them for Seedling Formation on the occasion of "World Environment Day 2023"

Respected Sir,

Our Department of Environmental Science has organized **Mango Seeds Collection and germinating them for Seedling Formation on the occasion of "World Environment Day 2023"**. The Collection of mango seeds was started from 15th June 2023 to 3rd July 2023. After this, mango seeds were cleaned and put for drying.

Department of Environmental Science organized planting of seeds on Wednesday, 2nd Aug 2023, at 12:00 pm at Kavivary Moropant Botanical Garden of our college. There are total 25 Students of F.Y.BSc., S.Y.BSc and T.Y.BSc. Environmental Science present for this activity. Students planted 39 mango seeds and put them for germinating under observation.

We the faculty of Environmental Science department and students are very much thankful to our principal Hon. Prof. Dr. A.S. Jagtap sir for constant motivation and guidance throughout the planning and implementation of this activity. We are also thankful to our gardeners for helping us for planting trees. Once again we are very much grateful to authorities of our college.

Thanks and Regards.

Yours faithfully,
