

Report on "Entrepreneurship in Bioinoculant Preparation"

We have organized one day workshop on 'Entrepreneurship in Bioinoculant Preparation' on 11th March 2022

This workshop was organized by Department of Microbiology, Tuljaram Chaturchand College under Student Development Board, SPPU.

The objective of the workshop was to develop and fortify entrepreneurial quality and to build small and medium scale enterprises in order to generate employment and widen the scope of Microbiology in industrial ownership.

The workshop emphasizes the knowledge and skill of entrepreneurs and strengthen the quality of entrepreneurship. This workshop was useful for students to diversify their knowledge of Biofertilizer and Bioinoculant preparation to improve the quality of soil and crop.

Participants were T.Y.BSc students from Microbiology department. Total 39 participants are benefited by this workshop.

Overall the workshop was very thought provoking.
