Subject: Report on one day Hands-on Training on English Language Training for Academic and Professional Success under RUSA

Dear Sir,

The one day hands on training program titled *English Language Training for Academic and Professional Success* was held in Late. Dr. K.S. Iyer Digital Language Lab on 2nd March 2023. The training program was organized by the Department of English in association with Rishtirya Uchchar Shiksha Abhiyan (RUSA) with an objective of enhancing the English language skills of the UG and PG students. A total 30 students from the department participated in this training program. The purpose of this training was to train participants on the concept of content writing, technical writing and instructional designing.

Mr. Narendra Deshmukh, Manager, Instructional Design, Aptara Pvt. Ltd . was the resource person for this training program. He conducted the session in a lively manner and offered the students some useful tips to enhance their English language skills. The students were instructed about the different avenues available in the private sector where anyone with good flare of English language has a good opportunity to secure an employment.

The training methodology was interactive as the trainer ensured that knowledge was not only disseminated but accurately perceived and understood by the participants. And in order to ensure this, the trainer engaged participants in discussions and kept the forum open for feedback, queries and suggestions. These discussions and interactive sessions were supported through training material of power point presentation on the topic.
