The details of the Industrial visit are as follows:

| Sr. No. | Items | Particulars |
|----------------|---------------------------------|----------------------------|
| 1 | Name of The Department | Commerce |
| 2 | Title of the Programme | Industrial visit |
| 3 | Date of the Programme | 09/02/2024 |
| 4 | Address of the Industrial visit | Mapro Industry Pachgani |
| 5 | Level of the Programme | College |
| 6 | Funded by: | NA |
| 7 | Number of Beneficiaries | 30 |

Details information of the Industrial visit:

Anekant Education Society's Tuljaram Chaturchand College of Arts, Science, and Commerce, Baramati Department of Commerce was scheduled Industrial visit of M.Com I students on 09/02/2024 as a part of project work. The visit was scheduled to Mapro Industry Pachgani. Mapro is a leading innovator in the processed food industry founded in 1959, located around the idyllic hill towns of Mahabaleshwar & Panchgani in Western India. Mapro set up a fruit processing unit at Panchgani. Mapro provided nearby farmers with technical guidance and committed to buy their produce. Tourist recognition led to the development of the Mapro Garden which defines the identity of Panchgani among tourists.

The rise of modern retail gave Mapro a nationwide network. After tax reforms Mapro invested in setting up three new units in Satara and Pune district in Maharashtra and Pathankot in Punjab. Mapro manufacture jams, fruit syrups, crushes, squashes, dessert toppings, ketchup, fruit jellies, premium chocolates and snacks.

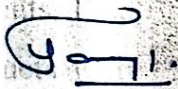

For the industrial visit total 30 students of M.Com I from Div. A and B were participated. The students were accompanied by two faculty members namely Dr. Pathan R.M. and Dr. Sangale T.G. The students assembled near T.C. College main gate in the morning and departed for the visit at around 4:00 am.

During the visit Mr. Sandeep Keskar and Mayur Dhamane were the guide for Mapro Processing Unit. They gave a brief introduction of Mapro Garden. They showed the fruit jellies and jams processing stages, informed about working process and cleared all doubts of students. Finally on completion of tour students visited Mapro Outlet and enjoyed different products available to sell.

This industrial visit has enriched the students' knowledge regarding industry work environment and accounting practices adopted by food industries. Students learnt about fruit jellies and jams processing unit, working process, official procedure and so on.

The entire industrial visit was organized by the students under the guidance of Dr. Janardhan K. Pawar. We are thankful to our principal Dr. Avinash Jagtap sir for granting the permission for the industrial visit.

With regards,

Dr. Sangale T.G.
