

Date: 24 February 2023

To,

The Principal

Tuljaram Chaturchand College, Baramati

Subject: Submission of details of study tour of TYBSc Microbiology

Respected Sir,

With reference to the above mentioned subject, I am submitting herewith the details of study tour of T.Y.B.Sc. microbiology students, which was organized from 20th to 22nd February 2023.

Attachments:

1. Daily and travel allowance bills (Dr. MH Gajbhiye, Ms. Poornima Kamble, Mr. Vishwambhar Dadas)
2. List of TYBSc students (with Bank Account number and IFSC code)
3. Report of study tour
4. Bill for travel & accomodation
5. Permission letter for TA & DA of staff
6. Permission letter for tour
7. Tour Schedule
8. List of students
9. A copy of the syllabus

In all there were 24 students from TYBSc microbiology along with 3 accompanying staff (total 27). Thus, a twenty six seater bus was hired for the said tour.

In this view, I request your permission to disburse the allowances to respective staff and students of TYBSc.

Thank you.

Yours Sincerely

Dr. MH Gajbhiye

Dr Milind H. Gajbhiye

Professor of Microbiology

Tuljaram Chaturchand College,
Baramati 413102, Dist-Pune, MS, India

महाविद्यालयीन विद्या संस्थेच्या कामासाठी बाहेरगावी जाण्याबद्दल अर्ज

मा. प्राचार्य,
तुळजाराम चतुरचंद महाविद्यालय,
कला, विज्ञान व वाणिज्य,
बारामती, जि. पुणे

नांव : हउस विरवंभर तुकाराम

बारामती, जि. पुणे

तारीख : 18/02/2025

विषय :- कामकाजासाठी परगावी जाणेबाबत.

महोदय,

Study to TYBSC Micro
Goa

पुढील स्वरूपाच्या कामासाठी मला येथे जाणे आवश्यक आहे. त्याचा तपशील पुढे दिला आहे. तरी या प्रवासासाठी व त्यानुसार देय असलेल्या भत्यासाठी आपण मंजूरी द्यावी, ही विनंती.

१) कामाचे स्वरूप To accompany student at TYBSC
Microbiology on study tour at Goa.

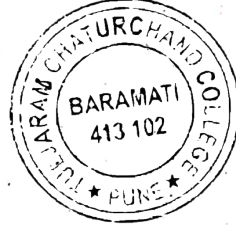

२) जाण्याची तारीख :- 20/2/2025

३) परगावी किती दिवस अंदाजे रहावे लागेल. 05

प्रवास पूर्ण झाल्यावर प्रवास खर्च व दैनिक भत्ते याचे बील लेखा विभागाकडे देण्यात

येईल.

कळावे,

आपला विश्वासू,

सही Darlag V.T

अ.नं.

दिनांक

- प्राचार्याची मंजूरी -

श्री. हउस विरवंभर तुकाराम हुद्दा टिपई
यांना Study Tour या कामासाठी Goa

या ठिकाणी जाण्यास अनुमती दिली आहे. नियमानुसार प्रवास खर्च, दैनिक भत्ते इ. सर्व भत्ते देय आहेत.

प्राचार्य

Report on Educational Study Tour of T.Y.B.Sc.

An educational study tour of T.Y.B.Sc. class was arranged from 20/02/2023 to 22/02/2023 at Goa. There were 24 students along with 2 teaching and 1 non-teaching staff.

Journey Details:

Date of study tour:	20 th February to 22 nd February 2023
Places visited for soil sample collection	In and around Panaji, Baga, Calangute, Candolim, Mardol The samples shall be used for the isolation of antimicrobial producing, plant growth promoting microbes etc.
Research Institute visited	<p>CSIR - National Institute of Oceanography (NIO), Dona Paula, Goa During visit at Goa, the students were taken to NIO Research Institute. The initial phase of the visit to NIO started with the introductory lecture which was shown by an exciting video clip depicting the origin, working history and various activities performed by the institute in exploring the marine world by Senior Technical Officer Dr. Devanand Kavlekar NIO have 4000 publications with 40,000 citations. Various activities in NIO include:</p> <p>Study of Marine biodiversity: - The NIO has so far identified - 400 different species of phytoplankton. Phytoplankton these are microscopic, self-replicating organisms are primary producers of organic matter, forming the base of marine food.</p> <p>Study of Marine ecology: - NIO has carried out an investigation to unravel interactions between the environment and organisms.</p> <p>Study of Marine biotechnology: - NIO has searched for bioactive substances from marine organisms and which has various industrial applications such as stress-reducing /sedative anti-anxietyotics, microbial pigments useful in food coloring.</p> <p>Study of Marine Minerals: - NIO has carried out an extensive survey of metals such as copper, cobalt, nickel, and titanium that could be utilized in the future in view of increasing demand of these metals from shallow water and deep sea. NIO has discovered hydrothermal plumes indicative of new vent fields over the Carlsberg Ridge, signatures of plumes over the Central Indian Ridge.</p> <p>NIO is actively engaged in monitoring the health of Indian coastal environments through seasonal monitoring of water, sediment, biological and microbiological parameters. Establishing an overall index of pollution (OIP).</p> <p>The second part of the visit started with the museum at NIO, where old marine sails, instruments and ancient artifacts excavated from the deep ocean floors of the Goan coast were displayed to explain. Dr. Devanand Kavlekar explained the theme, mandate, targets, specialized instruments, and their specific focus on research and coral reefs.</p>

Subject: Regarding TA, DA and duty leave to the accompanying staff on the excursion tour

Reference: Study tour of TYBSc

Respected Sir,

This is regarding the said subject, an excursion tour has been arranged for the students of class of TYBSc from 15th Feb to 17th Feb 2023 to visit Pharmaceutical industries (Indoco Remedies Ltd. and Cipla Ltd., Verna Industrial estate), National Institute of Oceanography, and the Department of Microbiology, Goa University.

- In all, there may be 23 students and four accompanying staff as mentioned below:

Teaching staff:

1. Dr. M. H. Gajbhiye
2. Ms. Kajal Gaikwad / *Ms. Poorninga Kamble*

Non-teaching staff:

1. Mr. S. Z. Bhosale
2. Mr. Deepak Zagade
3. Mr. Vishwamhar Dadas

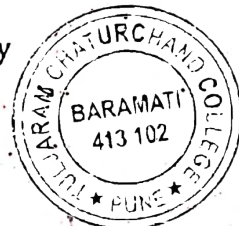

I request you therefore to sanction TA, DA and Duty leave to the above mentioned staff.

only one NT staff allowed

Subject: Permission for excursion tour

Respected Sir,

This is concerning the subject maintained above, we are planning for an excursion tour for the students of T.Y.B.Sc Microbiology. As per the syllabus of Tuljaram Chaturchand College (Autonomous) of TYBSc (2019 Pattern), it is mandatory to visit industry/Institute/Laboratory etc.

In this view, we are planning to visit Pharmaceutical industries (Indoco Remedies Ltd. and Cipla Ltd., Verna Industrial estate), National Institute of Oceanography, and the Department of Microbiology, Goa University. Students shall acquire knowledge concerning quality control techniques, sterilization processes, fermentation process, packaging of fermentation products and related Microbiological processes and equipments. We are in communication with the HR head of both the industries to confirm the appointment for the visit. Students may collect the soil and water samples from various sites for the project purpose.

The study tour may be arranged from 15th February, 2023 to 17th February 2023. The approximate student number will be 40 with accompanying teaching staff (04) and nonteaching staff (02).

I request you therefore to grant permission for the said excursion tour and grant approval for the travelling and lodging expenses towards this study tour.

Thanking You.

Yours faithfully,

K31.27

Class: T.Y.BSc (semester-VI)

Paper code : MICRO3607

Title of Paper : Practical Course IV: Biochemistry and Molecular Biology

Credit : 2 (Each credit=6 Practicals)

Learning Objective:

1. Aim to develop expertise in practical skills in enzymology
2. Aim to provide the knowledge and practical skills in Molecular biology

Learning Outcome:

1. Students will learn about different techniques in Molecular biology & Biochemistry.

Credit No.	Topic	Number of Practicals
I & II	a. Enzyme Purification:	
	i. Precipitation of amylase from fermentation broth	1
	ii. Dialysis	1
	iii. Determination of specific activity of crude and purified amylase and establishment of Purification chart	2
	iv. Immobilization of Invertase	1
	b. Isolation and enumeration of bacteriophages and study of phage morphology	2
	c. Genomic (bacterial) DNA isolation and estimation.	2
	d. Transformation of <i>E. coli</i> and selection of recombinants	2
	e. Visit to Research laboratory/Industry	1
