

Celebration of National Science Day

Date: 21/02/2022

To all Concerned HOD's

National Science Day is the main science function is being celebrated in India each year to mark the discovery of the Raman Effect by Indian Physicist Sir Chandrasekhara Venkata Raman on 28th February 1928, for which he was awarded the Nobel Prize in Physics in 1930. Tuljaram Chaturchand College, celebrating National Science Day every year to widely spread message about the importance of science used in the daily life of the people and popularize science and technology.

It is informed that this year our college is celebrating **National Science Day on 28th February 2022**. On occasion of this it is requested to all science HOD's to perform some scientific activities such as **Scientific/Research Poster Presentation, Science Model Presentation, Quiz Competition, Scientific Talk** etc. in your Department on the same day at 2:00 PM onwards. All the UG/PG students have to join this celebration. The **student doing project funded by college research scheme** have to display their work in the form of poster.

Also on the occasion of National Science Day, all the departments and laboratories will remain open for all. So, the visitors can visit departments and acquirement with the functioning, instrumentation to encourage scientific temperament.

It is suggested that please assign one PG faculty of your Department to monitor the activity which is being performed by your department and ask him to submit the report of the same to the coordinator of Science Forum.
