Subject: Seeking permission for Industrial visit.

Respected Sir,

I am writing this letter to seek your permission for the visit at your Asquare Industrial Solutions on the 6th of February. I would like to share that we have planned this plant visit for our electronics students in order to give them an insight about the way things work in the real life scenario.

There would be a total of 20 students accompanied by a faculty member from our college. The visit is aimed at enhancing their knowledge. We intend to take a round of the entire show the tasks.

I hope you will allow us the opportunity to visit you
