Sub: - Permission to visit a blood bank.

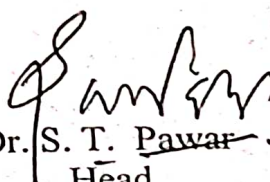

Respected Sir,

We are conducting B.Sc.Microbiology degree courses from 1990 till date. As per University syllabus, T.Y.B.Sc. Student has to visit blood bank once in a year. It is compulsory as a part of their course curriculum. We know your's is a well organized institute in Baramati, which work for social welfare from long back ago. our visit is purely educational, we are not using this knowledge for commercial purpose, we are responsible for any misbehavior or breakage during the visit. considering the same allow us to visit a blood bank.

We expect following information from blood bank.

1. Collection, preservation & storage of blood.
2. Blood banking practices, transfusion reactions
3. Laboratory methods of blood group typing ,cross matching, coomb's test.
4. Medico legal applications of blood groups
5. Any other information as per your convenience.

Our team consists of two staff members & 40 students. As per your schedule allot us a suitable date & make a necessary arrangement.
