Subject: A Report of National Science Day 2023

Respected Sir,

Our Department of Environmental Science has celebrated National Science Day 2023 on Tuesday, 28th February 2023, during 02.00 p.m. to 05.00pm. On the occasion of science day we arranged poster presentation and essay writing on different topics like Future of Work: Industry 4.0, Innovation and 21st century", "Climate Change and Disaster Risk Reduction: Making Sustainability as a Way of Life", "Peace Building and Reconciliation: Ushering in an Era of No War", "Shared Future: Youth in Democracy and Governance", "Health, Wellbeing and Sports: Agenda for Youth". This topics are related to theme of G20 summit 2023.

Total 11 students from our college participated in essay writing competition. And total 15 students from our college participated in poster presentation. Students explains their posters and essay to visitors and aware them about nature conservation, sustainable practices, currents issues of our environment. With these two activities department arranged one short quiz competition related to environmental awareness.

We the faculty of Environmental Science department and students are very much thankful to our principal Hon. Dr. Chandrashekar Murumkar sir for constant motivation and guidance throughout the planning and celebration of such days. Once again we are very much grateful to authorities of our college.

Thanks and Regards.
