Subject: Report of world food day celebration

Respected Sir,

With reference to above cited subject, we had celebrated world food day 2020 under the theme "**Grow, nourish, sustain, Together. Our actions are our future**". This year due to pandemic situation students were unable to attend the program.

Program details:

The program was celebrated at the department of food technology and research in Nicholas apert laboratory. Department of dairy technology, Journalism and retail management joined us for celebration. Guest for the program was all faculty members from vocational science.

The welcome speech was given by Dr. W. A. Khan, he talked about structure of food day and current scenario of food and disease then Pandit sir addressed us on media coverage for the adulteration of food. Rane sir further discussed about food and malnutrition. Mr. Phule sir gave speech on retail management of food processing.

At the end of the program we took a pledge on healthy habits development. Pledge and vote of thanks was conducted by the Prof. S. G. Godage.

Words of Pledge:

I pledge to stay healthy and clean through exercise and good hygiene.
I will eat balanced meals every day.
Every night I will get a good rest to be more ready to do my best.
If I work hard to be healthy and strong I will be healthy my whole life long.

Thanking you.

Yours Faithfully.
