"Report of Two Days Workshop on
" Hands on Training on NLP and Image Processing Using R Software"

Date : 13th & 14th February 2020   Venue: MBA Lecture Hall

Entrepreneur Development Cell organized two days workshop on Hands on Training on NLP and Image Processing Using R Software organized by T. C. College, Baramati.

The workshop was conducted on 13th and 14th February 2020 for Statistics students. Inaugural function of workshop started at 10.00 am welcome speech was delivered by Miss. N. A. Jagtap, co-ordinator of the program followed by enlighting lamp by dignitaries chief guest of program was Dr. Sachin Adnaik, CEO, iAnalyst Pvt. Ltd. Pune. Function was chaired by Dr. A. S. Jagtap, Vice Principal of college and Head of Department of Statistics, Dr. V. C. Kakade proposed vote of thanks.
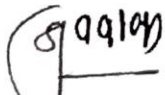

First session started with lecture by Dr. Sachin Adnaik on "Natural Language Processing Using R Software". Second session started after lunch followed by hands on training on NLP using R software.
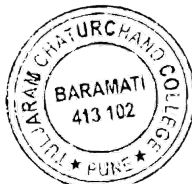

Second day (14th February.) started on Image Processing Using R Software . The last session was started after the launch break followed by hands on training on image processing using R software. 60 students were beneficiaries of this workshop.

These two days workshop helped students to understand NLP and Image processing looked to be a very new concept for students. It helped them to understand text mining and structured and unstructured data. Students learned to understand Big Data Analysis as it is useful in government as well as private sector. They gained information about which tools to be applied for the analysis overall it was a motivating session as students actively participated and enjoyed the same.

To,

The Principal,

T.C. College, Baramati.

Respected Sir,

We are an IT (Private Limited) Company providing training and consulting in Data Analytics/Data Science. The languages & tools we use are: Python, R, SAS, SPSS, Azure (Microsoft), Rapid Miner & many more, for training students/fresher's/working professionals (As per their requirements).

We would like to arrange a **One Day Workshop** for **P.G.** students. This session will focus on "Natural Language Processing (NLP) using R" & hands-on for the same. This session will help students to understand the concepts & techniques of NLP and its applications in real world. The content of this workshop is;

- Processing text data
- Cleaning text data
- Preparing data before applying Machine Learning algorithms
- Build Machine Learning algorithm as per requirement

Kindly let us know whether such workshop can be conducted in your respective Department and probable dates for the same.

Commercials: Rs. 10,000 only.

Thanking you in anticipation.
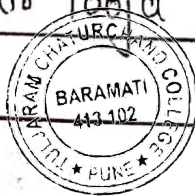

Yours faithfully,

iAnalyst Infotech Pvt. Ltd.
