Of Arts, Science & Commerce, Baramati

Report of Mentoring Committee (2019-20)

The college has developed Student Mentoring System for mentoring of students by the teachers. Each teacher has been allotted 20 students for the guidance. The mentor is constantly interact with students and guides them about career opportunities, employability, skill development etc. Teacher mentor maintains the record of same. Teacher gives support in the form of books, and notes to the students. The records of mentor and mentee visits are mentioned in teaching diary of respective teacher. If there is a major psychological problem for the students, such students are advised to Counseling committee and Psychology department.

Total students enrolled in senior college in the year 2019-20 were 6025. All students were distributed among the mentors 217 in the year (2019-20) all the mentors completed mentoring work in the same year.

Outcomes:

- All the Mentors have completed their mentoring work in teacher's diary. Overall the students get benefited for their all round performance in the development of personality.
- Positive input on attendance percentage of students.
- Strengthening the relationship with the mentor and the students.
- Improvements in academic performance of students were observed.
