"Report of Three Days National Webinar on "Medical Statistics"

Date: 07th, 08th and 09th April 2022

Platform of the Webinar: Google Meet

The Department of Statistics, Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati (Autonomous) in association with the RUSA is going to organize Three Days **National Webinar** on "Medical Statistics" on 07th, 08th and 09th April 2022 for Statistics students, Research scholars and Academicians. Inaugural function of the National Webinar started at 10.45 am welcome speech was delivered by Dr. Avinash S. Jagtap, Co-convenor of the National Webinar. The President of the function was Dr. Chandrashekhar Murumkar, Principal of T. C. College, and Baramati. Vote of Thanks was proposed by Dr. Vaishali Patil, Co-ordinator of National Webinar.

On the **First day** 07th April 2022, First session started with lecture by Prof. Dr. Anil Gore, former Head, Dept. of Statistics, SPPU, Pune on "*Roll of Statistics in Clinical Trials*".

Second session started by Dr. S. A. Paranjape, Sr. Statistician, Cytel Statistical Software and Services, Pune on "*Statistical study of side effects of drugs*".

Third session started by Dr. Sharvari Shukala, Director and Professor, Symbiosis International University, Pune, on "*Statistical Techniques for Medical Research*".

On the **Second day** 8th April 2022, First session started with lecture by Prof. Dr. Anil Gore, former Head, Dept. of Statistics, SPPU, Pune on "*Roll of Statistics in Clinical Trials*".

Second session started by Mr. Aniruddha Deshmukh, Vice President of Software Engineering, Cytel Statistical Software and Services, Pune on "*Software in Designing of Clinical Trials*".

Third session started by Mr. Samadhan Ghubade, Senior Statistician, ICON plc (Clinical Research Organization), Pune, on "*Detriment Index based Safety Ranking of Opioid drugs and opportunities as Statistician Trials*".

On the **Third day** 9th April 2022, First session started with lecture by Mr. Manoj C Patil, Assistant Professor, Department of Statistics, Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon on "*Introduction to BA/BE and Estimation of Pharmacokinetic parameters using R/SAS*".

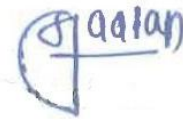

Second session started by Mr. Chaitanya Shinde and Mrs. Manjushree Birajdar, Senior Statistical Programmer, Parexel International, Pune, on “*Role of Statistical Programmer in Clinical Trials*”.

Third session started by Dr. Mohan Kale, Associate Professor, Department of Statistics, Savitribai Phule Pune University, Pune on “*Modelling of wellness of individuals using data mining tools*”.

On the last day 9th April 2022 at 4.30 PM, review of the National Webinar, was proposed by organizing secretary, Dr. Neeta Dhane.

As the platform of the National Webinar was **Google Meet**, 458 Participants were registered for the National Webinar, and benefited by the Lectures conducted on it. The topics covered during the Three Days National Webinar on "Medical Statistics" looked to be a very fruitful for all the participants. It helped them to understand Medical Statistics thoroughly as it is useful in Government as well as private sectors. They gained information about various Medical Statistical software and tools, to use them in the statistical analysis of medical data. From the feedback analysis also it can be observed that overall impression of the National Webinar is good and all sessions were full of knowledge and motivating. Also all the participants have enjoyed the same.

How satisfied were you with the overall sessions ?

131 responses

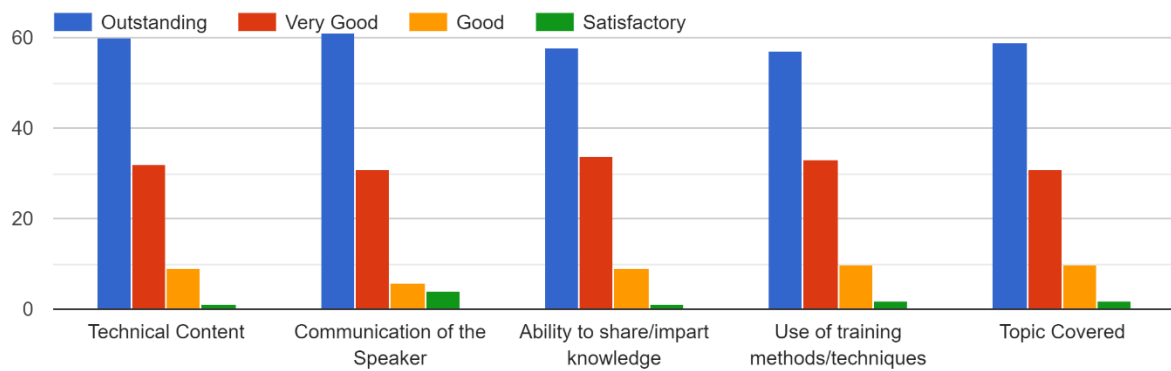

Speaker 2 - Dr. Aniruddha Deshmukh

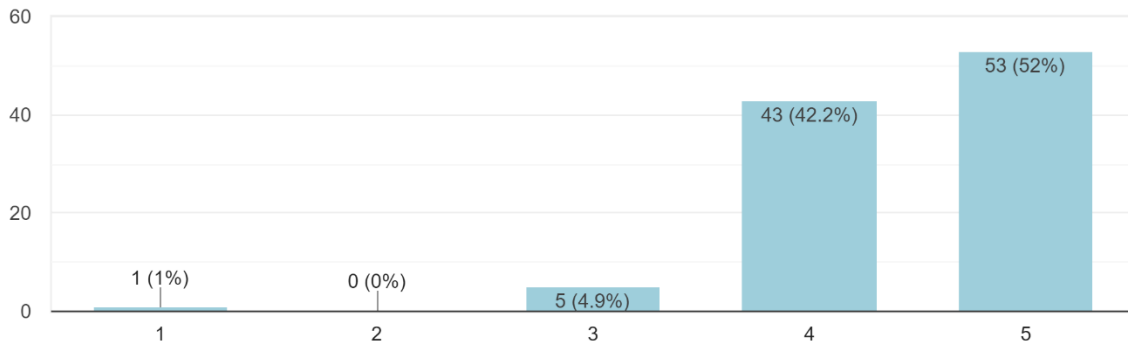

DAY 2

Speaker 3 - Mr. Samadhan Ghubade

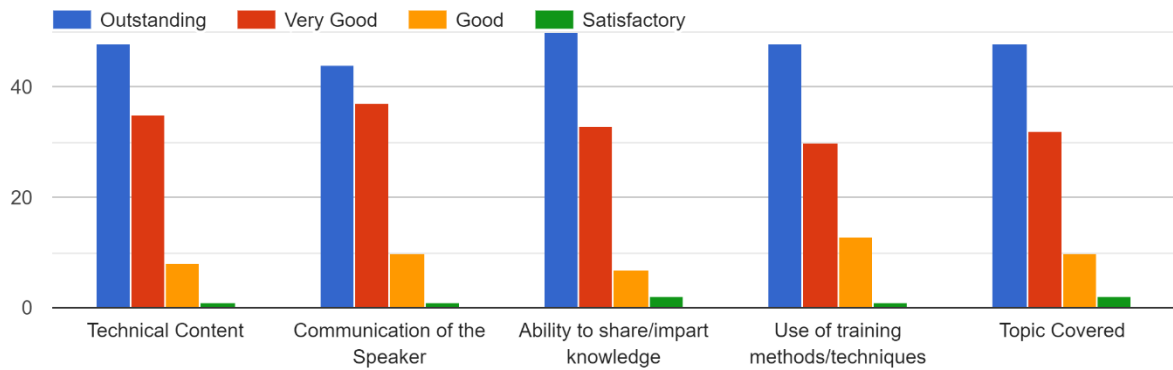

How satisfied were you with the overall sessions ?

102 responses

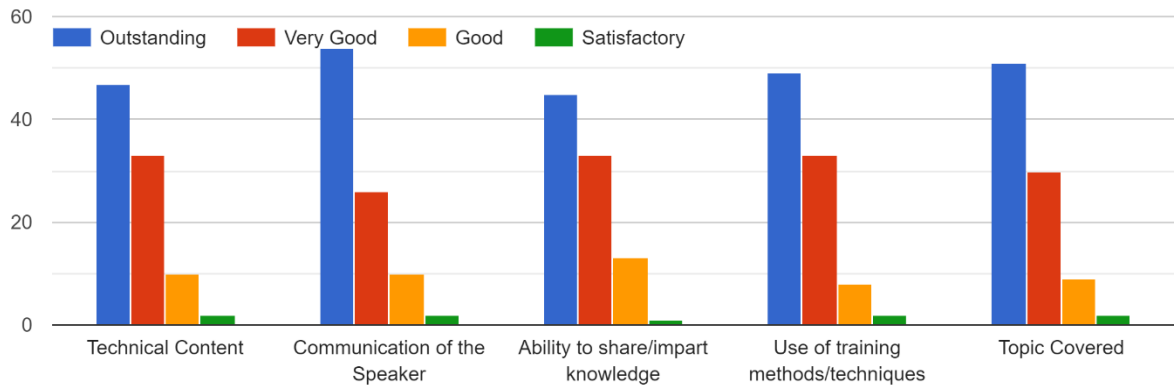

DAY 3

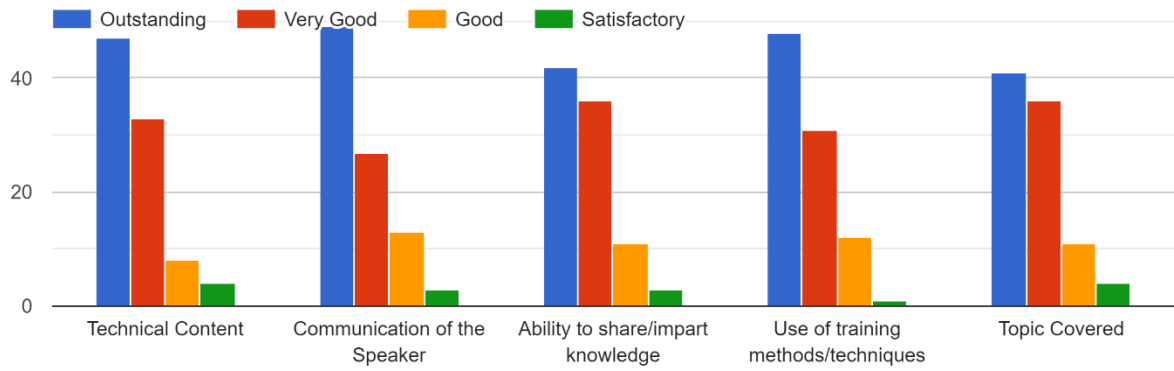

Speaker 1 - Mr. Manoj Patil

Speaker 2 - Mr. Chaitanya Shinde

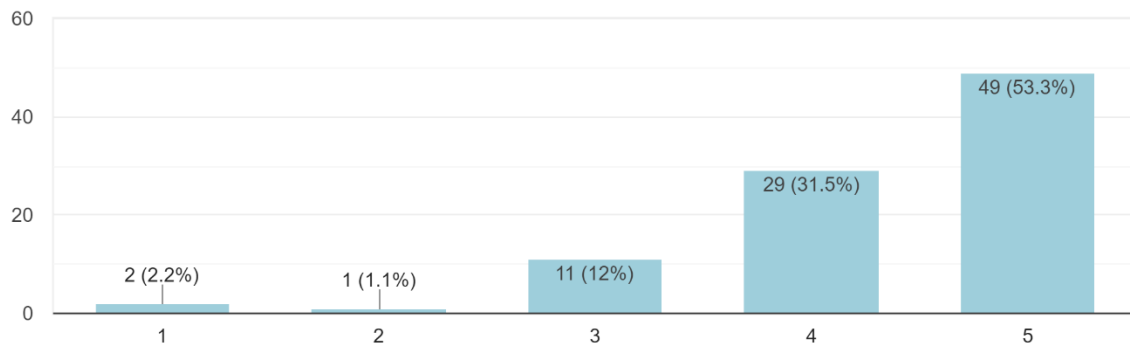

Speaker 3 - Dr. Mohan Kale

How satisfied were you with the overall sessions ?

92 responses

➤ How satisfied were you with the overall sessions?

- Lecture was Very knowledgeable & we learn a lot in this program.
- Thank you sir for a great course. Great presentation style with lots of opportunities to ask questions and talk about real life examples which all made for a really enjoyable and informative course.
- Thank you so much for the training session...I really enjoyed and learnt lots from it. This is quite refreshing...as we are often 'forced' to undertake statutory training sessions that are completely not related to what we do. This was an optional session, but it was the most useful! So thank you!
