Report on 'Basics of Capital Market'

The Department of B.Voc Retail Management organized "Basics of Capital Market". The Capital Market is a critical component of the global financial system, providing a platform for buying and selling financial instruments, such as stocks, bonds, derivatives, and other, investment products. This activity's aims to provide an overview of the current state of the securities market in 2023, highlighting key trends, challenges, and opportunities.

Prof Mr. Mahesh.S.Phule Sir was welcomed expert Mr. Ravi Ahuja Sir and briefed about the aim and objective of this workshop. Prof. Mahesh Phule Sir felicitate chief guest & motivated the students through his motivational words. Prof. S.K.Taware , Prof. A.N.Kadam & Prof A.A. Wagh were also present.

From this activity students were aware about how the securities market runs and Global Market Performance, Technology and Innovation, Rise of ESG Investing, Regulatory Landscape, Volatility and Risk Management. IPO Boom, Digital Assets and Cryptocurrencies. Students are also known about Demat account opening and scams related to it. Guest concludes the session with "The securities market in 2023 remains dynamic, with robust growth, technological advancements, and increased emphasis on sustainability and responsible investing. However, it also faces challenges related to regulation, risk management, and the integration of emerging digital assets. As the market continues to evolve, stakeholders must remain vigilant, adaptive, and well-informed to navigate the complexities and seize opportunities in this ever-changing landscape".

We express our special thanks to Dr. Avinash Jagtap sir Principal, for inspiring and encouraging every time for us. We also thank to Dr. Ashok Kalange for his kind support and valuable guidance. The entire activity was coordinated by Prof. Mahesh Phule and supported by Prof. Sudhir Taware, Prof. Amruta Bapat, Prof Archana Kadam who took efforts to make this activity successful.
