

Report on "Industrial Skills in Microbiology"

We have organized ten days online workshop on 'Industrial Skills in Microbiology' from 14th to 24th March 2022.

This workshop was jointly organized by Department of Microbiology, Tuljaram Chaturchand College in collaboration with Entrepreneurship Development Cell

The objective of the workshop was to develop new skill set and knowledge of techniques directly applicable to students for their careers in different industries

the key objectives of pharmaceutical microbiology is to ensure safety and efficacy of pharmaceutical products.

The workshop emphasizes the knowledge and skill help them obtain training in areas that most benefit them for bright career. This workshop was useful for students to improve their knowledge and skills, which in turn will motivate, develop and build their confidence to improve job performance by extending knowledge, inculcating skills and modifying attitudes,

Participants were M.Sc. students from Microbiology department. Total 49 participants are benefited by this workshop.

Overall the workshop was very informative and thought provoking.
