Four Days Hands on Training Program on Tableau Software  
Feedback Report 2022-23

➤ Gender wise distribution of Participants in program

➤ Feedback of Four Days Hands on Training Program Tableau Software

➤ How satisfied were you with the overall sessions?

- Lecture was Very knowledgeable & we learn a lot in this program.
- Thank you sir for a great course. Great presentation style with lots of opportunities to ask questions and talk about real life examples which all made for a really enjoyable and informative course.
- Thank you so much for the training session...I really enjoyed and learnt lots from it. This is quite refreshing...as we are often 'forced' to undertake statutory training sessions that are completely not related to what we do. This was an optional session, but it was the most useful! So thank you!
