Department of chemistry

Date 03/03/2022

Principal,

Tuljaram Chaturchand College, Baramati.

Subject: One Day Workshop on "Principle and applications of Bio analytical techniques" Under RUSA

Respected Sir,

With your prior permission, One Day Workshop on "Principle and applications of Bio analytical techniques" Under RUSA scheme was conducted on 26th February, 2022. For this workshop total 82 students from M.Sc. II chemistry were present. Dr. Milind S. Bagul, Head Analytical division, Raptim Research Pvt. Ltd., Navi Mumbai and Mr. Harishwar shinde were the resource persons.

Dr. Bagul and Mr. Shinde covered the topics 1. Expectations from young researchers in research industries. 2. Introduction of contract research organization (CRO) 3. Details of bioequivalence and bioavailability. 4. Introduction of invitro release test (IVRT) and invitro permeability test (IVPT).

After lecture there was interaction and discussion session with faculty and PG students. The team covered the instrumentation part and analysis.

We hope that this will help our students for in their curriculum and carrier.

This report is for your kind information.

Thanking You

Shankar K. K.
