Subject: A report on the Zonal-Level Avishkar Poster Competition

Dear Sir,

We are pleased to report on the Zonal-Level Avishkar Poster Competition, jointly organized by Savitribai Phule Pune University, Pune, and Tuljaram Chaturchand College, Baramati. The event aimed to foster a scientific mindset among students at various academic levels, including undergraduate (UG), postgraduate (PG), and Ph.D. research scholars. The competition took place on Monday, October 31, 2023, from 9:00 AM to 5:00 PM on the college campus.

The competition was categorized into three distinct fields:

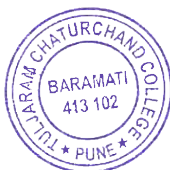

1. Agricultural and Animal Husbandry.
2. Engineering and Technology.
3. Medicine and Pharmacy.

The competition day commenced at 9:00 AM with registration and poster preparation, and a meeting was convened by the Principal, Dr. Avinash S. Jagtap, who provided essential insights and recommendations to the examiners and coordinators.

The formal inauguration of the workshop was carried out by Principal Dr. Avinash S. Jagtap, who was also instrumental in explaining the Avishkar concept, its significance, and the guidelines for participation in the competition. Dr. Jagtap extended his warm greetings to all participants and expressed his best wishes for their success during the workshop.

A total of 186 students registered for the competition within the Pune Gramin district through the university's online portal. Of these, 168 participants attended the event in person, joined by approximately 154 students from various colleges.

The evaluation of the competition involved eight examiners from different colleges, appointed by our institution. These examiners conducted thorough and impartial assessments, resulting in the selection of three top projects from each category. The assessment process included evaluating research posters, models, and live demonstrations in accordance with the Avishkar Committee's guidelines from the SPPU, spanning from 9:00 AM to 5:00 PM. A

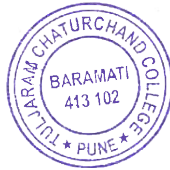

working lunch was provided to the organizers, and examiners finalized their results for the three categories between 4:00 PM and 4:30 PM.

The Valedictory Function commenced at 4:30 PM, graced by Prof. Dr. Devidas Waydande, Principal of M. S. Kakade College, Someshwarnagar, as the Chief Guest. Dr. Sachin Gadekar, the Vice principal of T. C. College, welcomed the guests and highlighted the importance of research in academics. Dr. Sachin Kulkarni, from the Department of Physics, announced the competition results, where 19 projects were shortlisted by experts for the next University Level Research Project Competition. Dr. R.T. Sapkal delivered the vote of thanks, and the Valedictory Function concluded with the President's permission.

The Zonal-Level Avishkar Poster Competition was executed under the able guidance of the esteemed Principal, Dr. Avinash S. Jagtap, and Dr. Ashok Kalange.

The following participants have been selected for recognition in the Zonal-Level Avishkar Poster Competition:

We express our gratitude for your continued support and look forward to furthering collaborations in promoting scientific inquiry and exploration.

Yours sincerely,
