Sub: Report of one day workshop on "Hands on Training of LED Bulb Manufacturing" under ED cell.

Respected Sir,

With your kind permission and sanctioned we have successfully organized one day workshop on "Hands on Training of LED Bulb Manufacturing" under ED cell on 16th March 2022. The program formally began with an opening remark delivered by Dr. Suhas N. Patil, organizing secretary of workshop followed by the welcome address delivered by Dr. Jagdish Deshpande, Vice-Principal & Head, Department of Electronics. He has highlighted the objectives of the workshop. The workshop was based on the Hands on training of LED bulb manufacturing and repairing, its totally skill oriented applications for S. Y. B.Sc., T.Y. B.Sc & M. Sc. (Electronics & Physics) students.

Dr. A. V. Rokade (Avience Scientific Pune) sir covered introduction of LED Bulb, history, LED Present Market, comparison of various light bulbs and their materials as well as its various parts required for assemble bulb. He also gave introduction of different Led bulb modules and their drivers during first session.

On second session, he took hands on training 9 watt Led bulb assembly using machines, processing and packaging.

The workshop was informative and skill based. Total 110 students registered this workshop, however actually 71 students and 6 faculty members are benefited from the workshop. We have also provided e-certificate to all participants on their registered E-mail ID. We are very much grateful to you for your kind permission and providing us the opportunity to arrange the same.

Kindly consider and oblige.

Thanking you

Yours faithfully

Dr. J. D. Deshpande
