Sub: Report of one day workshop on "Emergency ACDC Inverter LED Light Manufacturing" under ED cell.

Respected Sir,

With your kind permission and sanctioned we have successfully organized one day workshop on "Emergency ACDC Inverter LED Light Manufacturing" under ED cell on 28th September 2022. The program formally began with an opening remark delivered by Dr. Suhas N. Patil, Coordinator of workshop followed by the welcome address delivered by Dr. Jagdish Deshpande, Head, Department of Electronics. He has highlighted the objectives of the workshop. Dr. A. S. Kothawale had given introduction of Resource person. This workshop was totally skill oriented & application oriented. The students from S. Y. B.Sc., T.Y. B.Sc & M. Sc. (Electronics & Physics), T.Y. B.Com, S.Y. MVOC, T.Y. B.A. were participated in this workshop.

Dr. A. V. Rokade (Avience Scientific Pune) covered history & introduction of LED bulb, present market of LED, comparison of various light bulbs and their materials as well as its various parts required for assemble emergency ACDC inverter bulb, types of battery etc. He also gave introduction of different LED bulb modules, emergency ACDC inverter drivers, startup ideas and information about online registration of own company/ firm during first session.

On second session, he took hands on training of 12 watt emergency ACDC inverter LED light bulb assembly using machines, processing and packaging of battery.

The workshop was informative and skill based. Total 99 students registered for this workshop, however actually 88 students and 6 faculty members are benefited from the workshop. We have also provided e-certificate to all participants on their registered E-mail ID. We are very much thankful to Dr. V. C. Kakade & Dr. R. T. Sapkal for support & encourage arranging this workshop. We are also very much grateful to you for your kind permission and providing us the opportunity to arrange the same.

Kindly consider and oblige.

Thanking you

Yours faithfully
