# Consultancy Policy

The Institute provides the research facilities in terms of laboratory equipment, research journals, plagiarism checking software, statistical data analysis, and research incentives in the campus. Various department has research centre and also, Common Facility Centre (CFC) will be made available to all the stakeholders as per the terms and conditions given by the head/in-charge. All the researcher can avail the departmental laboratory equipment or any research data analysis with the prior permission of the head/in-charge of the respective department. The expertise of the faculties in the various departments from this institute will be used to generate revenue through consultancy. To promote consultancy activities in the institute, the revenue generated under the consultancies will be shared as 70% share of consultant, 30% share of the institute. This proportion share of the revenue may vary department to department.

Ref. No. AES/TCC/ Local. 176Date: 11 9 AUG 2019**Consultancy Policy****Aims and Objectives**

The purpose of the Consultancy Policy is to create a structured approach for faculty to engage in consultancy work. The specific objectives are:

- To identify, develop, and support faculty involvement in consultancy projects.
- To advance academic pursuits by fostering interdisciplinary, multidisciplinary, and cross-disciplinary initiatives in partnership with universities, industries, government agencies, and academic institutions.
- To provide guidance for faculty in efficiently managing consultancy projects through all stages.
- To facilitate knowledge exchange with other organizations and strengthen technical expertise across diverse issues.
- To enhance the research skills and capabilities of faculty members.
- To align current faculty expertise with industry demands, ensuring curriculum relevance.
- To promote entrepreneurship and create job opportunities through consultancy services.

**Policy Guidelines**

- Faculty must obtain prior approval from the Head of the Department, Principal, or Director of the College before undertaking any consultancy assignment. Full details of the assignment, including time commitment, financial arrangements, and schedules, must be provided.
- While executing consultancy work, faculty are not exempt from their regular teaching responsibilities. However, in cases of emergency, faculty may be permitted to participate in consultancy activities, provided any lost teaching time is compensated appropriately.
- Revenue generated from consultancy assignments will be shared as follows:
  - ❖ If College infrastructure is used, the revenue split will be 30% to the College and 70% to the faculty.

### Encouraged Activities

The following activities, which align with the objectives of promoting industry-academia interaction and supporting higher education, are encouraged under this policy:

- Consultancy services
- Professional services
- Incubation models
- Corporate research and development
- Market research and consumer studies
- Government and industrial projects
- Entrepreneurial activities in collaboration with educational institutions
- Software and hardware solutions

## **Guidelines for Common Facility Centre (CFC)**

- 1) Facility is available for all the academic and industrial institutes
- 2) Samples are analyzed after duly completion of requisition form and payment of fee.
- 3) Charges are as mentioned below.
- 4) Samples will be analyzed within 4-5 days of submission of form.
- 5) The analytical data/spectra are provided only for research/development purposes. These cannot be used as certificates in legal disputes.
- 6) Separate samples should be sent for different analysis.
- 7) Maximum 5 samples per lot for any type of analysis are accepted at a time.
- 8) Please send the samples in quantity as mentioned in the sample submission guideline/ requisition form.
- 9) Samples are not recovered unless a special request is made.
- 10) Unstable and explosive compounds are not accepted for analysis.
- 11) All concern persons, research fellows and students are advised to send their application and samples through their supervisors or Head of Department.

Subject: Proposal to carry out consultancy services at **Statistics** department.

Respected Sir,

We are pleased to inform you that Department of Statistics is planning to continue Consultancy Services with following expertise areas in which we are willing to benefit the students and community. The charges for the services mentioned are shown below:

| Sr. No. | Title of the Consultancy Service                   | Consultancy Charges (Rs.)                                                                                      |
|---------|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| 1       | Discussion (1st visit)                             | 500/-                                                                                                          |
| 2       | Set up Design/ Questionnaire for the Research work | 1000/-                                                                                                         |
| 3       | Data entry in Excel Sheet                          | 500/- per 25 Rows× 20 Columns of one Excel sheet<br>(rates may change with respect to type and extent of data) |
| 4       | Statistical Analysis of Data                       | 500/- per Tool                                                                                                 |
| 5       | Report Preparation                                 | 1000/-                                                                                                         |

The distribution of the share from consultancy charges is proposed as below:

| Institutional share | Faculty Share |
|---------------------|---------------|
| 30%                 | 70%           |

We request you therefore to grant permission for the above mentioned Consultancy Services and distribution of Consultancy Charges

Thanking you,

Yours Sincerely,

Head  
Department of Statistics

Subject: Proposal to carry out consultancy services at Microbiology department.

Respected sir,

We are pleased to inform you that department of Microbiology is planning to continue consultancy services with revised rates. Following are the expertise areas in which we are willing to benefit the students and community. The charges for the below mentioned services are also mentioned.

| Sr.No | Title of the consultancy service                                                                    | Consultancy Charges (Rs)                                       |
|-------|-----------------------------------------------------------------------------------------------------|----------------------------------------------------------------|
| 1     | Microbiological water testing (MPN)/complete test                                                   | 200/600 per sample                                             |
| 2     | Soil analysis NPK, pH, EC (using Himedia kits)                                                      | 500 per sample                                                 |
| 3     | Hemoglobin determination                                                                            | 100 per sample                                                 |
| 4     | Blood Group determination                                                                           | 100 per sample /                                               |
| 5     | Blood sugar determination (R)                                                                       | 100 per sample                                                 |
| 6     | Determination of BOD or COD                                                                         | 400 per sample                                                 |
| 7     | Statistical Analysis of data (ANNOVA & Post Hoc Test )                                              | 600 (rates may change with respect to type and extent of data) |
| 8     | Construction of phylogenetic tree                                                                   | 300 per tree                                                   |
| 9     | Estimation of organic acids and ethanol                                                             | 100 per sample                                                 |
| * 10  | Testing antimicrobial activity (Crude compounds or chemicals )/Minimum inhibitory concentration     | 250/400 compound per indicator organism                        |
| 11    | Morphological identification of fungi                                                               | 200 per sample                                                 |
| 12    | Milk analysis (SPC, phosphatase test, MBRT, Mastitis test, fat, carbohydrate & protein estimation ) | 600 per sample                                                 |
| 13    | N <sub>2</sub> analysis                                                                             | 500 per sample                                                 |
| 14    | Total carbohydrate estimation                                                                       | 200 per sample                                                 |
| 15    | Total protein estimation                                                                            | 200 per sample                                                 |

The distribution of the share from consultancy charges is proposed as below:

| Institutional share | Faculty share    |                                                |
|---------------------|------------------|------------------------------------------------|
|                     | Teaching faculty | Assistance from Non teaching faculty ( if any) |
| 30%                 | 60%              | 10%                                            |

We request you therefore to grant permission for the above mentioned consultancy services and distribution of consultancy charges.

Thanking you.

Yours Sincerely,

| 15    | Total protein estimation                                                                            | 200 per sample                                                 |

The distribution of the share from consultancy charges is proposed as below:

| Institutional share | Faculty share    |                                                |
|---------------------|------------------|------------------------------------------------|
|                     | Teaching faculty | Assistance from Non teaching faculty ( if any) |
| 30%                 | 60%              | 10%                                            |

We request you therefore to grant permission for the above mentioned consultancy services and distribution of consultancy charges.

Thanking you.

Yours Sincerely,

Subject: About the Policy for Consultancy Service under Department of Sanskrit

Respected Sir,

In order to improve the Industry-academia relationship, academicians are expected and motivated to use their academic knowledge for Industry in the form of Consultancy and Corporate Training. The Department of Sanskrit has great potential to serve by various means to Industry. The possible clients may include Publication Houses, Schools, Media Companies, Radio Channels etc.

As a Sanskrit Scholar, Faculty from the Department of Sanskrit work in the areas of Proofreading, Content Writing, Translation, Fact Checking etc. The Client, work area and scope of the work can be wide and dynamic. Keeping in view, these varied consultancy opportunities, The following points are proposed as a policy-

1. Scope of Work: Any type of work where application of Sanskrit is possible, can be considered under Consultancy with the due permission of the Head of the Department.
2. About Consultancy Charges:
  - a. Consultancy charges will depend on the scope, time and infrastructure required for the work and will be decided mutually by the parties.
  - b. As per policy of the college, 70% amount of Consultancy will be paid to consultant and 30% amount will remain with the college.
  - c. If any non-teaching person is involved in consultancy work, he will be given 10% of the charges. In this case Consultant will get 60% instead of 70%
3. About Completion: Consultant should draft a report about completion of the consultancy work and submit it to the principal.

विषय :- पदव्युत्तर विद्यार्थ्यांना त्यांचे प्रोजेक्ट ग्रंथालयातून अँटी-प्लॅजेरीझम चेक करून घेणेबाबत विभागप्रमुख व विद्यार्थ्यांना सूचित करणेबाबत प्रस्ताव.....

मा.सर,

ग्रंथालय विभागाने यंदाच्या वर्षात अँटी-प्लॅजेरीझम डीटेक्शन सर्विस URKUND घेतलेली आहे. महाविद्यालयातील तृतीय व पदव्युत्तर विद्यार्थ्यांना प्रोजेक्ट करावयाचे असतात . हे प्रोजेक्ट विद्यार्थ्यांनी ग्रंथालय विभागाकडून स्कॅन करून त्याचा रिपोर्ट आपल्या अहवालात समाविष्ट करणेबाबत प्रस्ताव सादर करत आहे.

यामागील उद्दिष्ट म्हणजे विद्यार्थ्यांना प्लॅजेरीझम बाबत माहिती होईल तसेच यानिमित्ताने ग्रंथालय विभागाकडे विद्यार्थीवर्ग आकर्षित होतील तसेच यामाध्यमातून माफक फी मध्ये विद्यार्थ्यांना अहवाल स्कॅन करून मिळेल .

आपण यापूर्वीच पदव्युत्तर शास्त्र/संगणकशास्त्र व बी.व्होक विद्यार्थ्यांना केवळ ५०/- रु. व पदव्युत्तर कला व वाणिज्य विद्यार्थ्यांना करीता २५/- रुपये एवढी माफक फी निश्चित केलेली आहे. विद्यार्थी वर्गात आत्तापासून प्लॅजेरीझमची संकल्पना रुजली जावी व दर्जा देखील वाढवा हा यामागील उद्देश आहे. विद्यार्थ्यांना त्यांच्या प्रोजेक्ट मध्ये ४०% पर्यंत प्लॅजेरीझम मान्य करणेस परवानगी देता येईल.

तरी सदरच्या प्रस्तावाबाबत मार्गदर्शन /मंजूरी करता सादर करत आहे .

कळावे ,

## विद्यार्थ्यांसाठी सूचना

सूचना क्र. 372/ / 2021-22

दिनांक : १५ फेब्रुवारी, २०२२  
16 FEB 2022

विद्यार्थ्यांनी त्यांचे प्रोजेक्ट / प्रकल्प अहवाल विभागात सादर करण्यापूर्वी सदरचे अहवाल सॉफ्ट कॉपी स्वरूपात ग्रंथालय विभागातून अँटी प्लेजेरीझम सिस्टीम URKUND मधून स्कॅन करून घेणे आवश्यक आहे. या स्कॅनचा रिपोर्ट आपल्या अहवालास जोडणे आवश्यक आहे. ४० टक्के हून अधिक प्लेजेरीझम असलेले अहवाल स्विकारले जाणार नाहीत.

मराठी, हिंदी भाषेतील अहवाल यूनीकोड फॉन्ट मध्ये असणे आवश्यक आहे. विद्यार्थ्यांना सदर प्रोजेक्ट स्कॅन करणेकरिता सुविधा माफक दरात उपलब्ध आहे.

१. विज्ञान/संगणकशास्त्र विद्यार्थी - ५० रु.
२. कला/वाणिज्य विद्यार्थी - २५ रु.

या नाममात्र शुल्कात उपलब्ध आहे.
