5.	Level of the programme: College/University/State/National	Department
6.	Funded by: College/University etc.	ED cell
7.	Number of Participated Students	05

**Detail information of the programme/activity:**

As part of our initiative to promote sustainability and reduce plastic waste, our college has organized a campaign to raise awareness about the harmful effects of plastic use and polythene bag usage. The campaign aims to educate students about the negative impact of plastic on the environment, wildlife, and human health. We urge all students to avoid using polythene bags and opt for eco-friendly alternatives like jute bags or cloth bags. Let's join hands to make a positive change in our community and protect our planet for future generations.

# TULJARAM CHATURCHAND COLLEGE OF ARTS, SCIENCE AND COMMERCE

## Activity Explanation:

We are the Students of FYBBA, Tuljaram chaturchand college, Baramati. We conducted an awareness Program about plastic use on railway stations and various local Shops located near Tuljaram Chaturchand College, Baramati on 14-10-2023 under the Supervision of Mrs. Sanika Doshi Mam.

The objective of the Campaign was to Create awareness about the hazard of Polythene bags. The campaign was named as "creating awareness about plastic use! Banners or posters this slogan were displayed at various places in the locality While conducting project, we interact with people, ask them about plastic usage and its harmful impacts on Society and health of people.

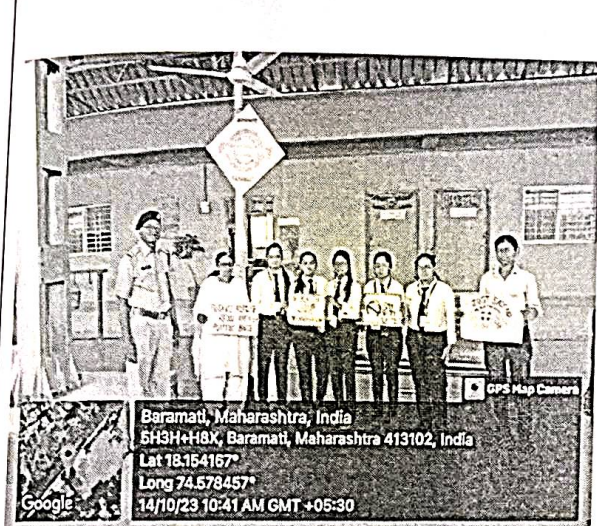

Plastic waste is a growing concern worldwide due to its negative impact on the environment. Plastic takes hundreds of years to decompose and cause harm to animals. The objective of the project was to Create awareness about the hazard of Polythene bags. the Campaign was named "Say No to plastic bag".

TULJARAM CHATURGHAND COLLEGE OF ARTS, SCIENCE AND COMMERCE

One of the member of our group Jadhav Pooja explain the people that Polythene was not biodegradable and that bags could choke rivers .They could also spoil the fertility of the Soil .The Shopkeepers in the locality were requested to give up the use of polythene bags. The People showed great interest in the campaign. Many of them promised never to use plastic bags in future. Last but not least, free cloth bags. Were distributed to Shopkeepers in the Locality. Overall, the Campaign was a great success.

Students campaigning to create awareness abot plastic
