Report on Street Play Activity on Social awareness with Primary School at Supe Village

Date: 12/09/2023

On 12/09/2023, a street play activity was organized at Supe as part of a collaborative effort between Primary School Supe, Tal- Baramati, Dist. Pune. and the National Service Scheme (NSS). The primary aim of this initiative was to raise social awareness among students and the community on pressing social issues such as health, environment, and education. In the weeks leading up to the event, NSS volunteers and teachers from the primary school held brainstorming sessions to identify relevant themes. The topics chosen were Health and Hygiene, Environmental Conservation, and Importance of Education. Students were divided into groups, each focusing on a specific theme. Workshops were conducted to guide them in scriptwriting, acting, and stage presence. Street play was conducted in the school yard, with a vibrant setup that attracted students and community members. The event started with a brief introduction highlighting the importance of social awareness, followed by the performances. A total of 13 volunteers were participants in this activity.

The street play activity was a successful initiative that effectively raised social awareness among primary school students and the wider community. The collaboration between the NSS and the school not only facilitated learning but also empowered students to become advocates for social change. Future activities of this nature are recommended to sustain the momentum of awareness and engagement.
