## Report on Meri 'Mati Mara Desha'

Date:14/12/2023

As part of the nationwide "Meri Mati Mera Desh" campaign under the *Azadi Ka Amrit Mahotsav*, the National Service Scheme (NSS) students organized an event to honor the soil of India, pay tribute to the freedom fighters, and promote a deeper connection to the nation's heritage. The campaign aims to instill a sense of patriotism, ecological responsibility, and respect for the sacrifices made during the freedom struggle. NSS students actively engaged in various activities, from soil collection drives to planting trees, and raised awareness about the importance of preserving the country's natural and cultural heritage. Total 78 NSS volunteers were participated in the activity.

The *Meri Mati Mera Desh* initiative by NSS students was a successful campaign that not only paid homage to India's freedom fighters but also promoted environmental stewardship and national pride. The campaign fostered a sense of unity, responsibility, and respect for the nation's land and heritage among participants and communities alike. By actively participating in soil collection drives, tree plantations, and educational campaigns, the NSS students played a crucial role in bridging the gap between tradition and environmental sustainability. The initiative serves as a reminder of the importance of preserving both cultural heritage and natural resources for the well-being of future generations. The students' involvement in this national cause highlighted the potential of youth in nation-building efforts and underscored the importance of patriotism and environmental consciousness.
