Detail information of the programme/activity:

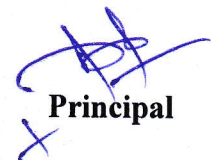

On 3rd Nov.2023, a group of 5 students from our college visited the Government Hospital - Silver Jubilee in Baramati. We were there to distribute fruits to the patients and hospital staff. We brought a variety of fruits including bananas, oranges, and apples. The patients were delighted to receive the fresh fruits, and it brought a smile to their faces. The hospital staff also appreciated our efforts and thanked us for our contribution. The distribution was a great way to bring some joy and cheer to the patients and hospital staff. We are glad that we could make a difference in their lives. Overall, the visit was a valuable experience that highlighted the importance of providing basic healthcare services to underserved communities.
