Detail information of the programme/activity:

Our college team conducted a cleanliness campaign at the local railway station. We aimed to promote a cleaner and healthier environment for commuters. Our team of 5 students, along with some volunteers, worked together to clean the platform, remove litter, and sanitize the restrooms. We also distributed pamphlets and posters emphasizing the importance of cleanliness and waste management. Our efforts were appreciated by the station authorities and commuters alike. The station looked significantly cleaner and more organized after our campaign. We believe that such initiatives can make a significant impact on public health and hygiene.
